From New York Times and USA Today bestselling author Donna Grant comes a new story in her Dragon Kings series... Marked by passion A promise made eons ago sends Sebastian to Italy on the hunt to find an enemy. His quarry proves difficult to locate, but there is someone who can point him in the right direction – a woman as frigid as the north. Using every seductive skill he’s acquired over his immortal life, his seduction begins. Until he discovers that the passion he stirs within her makes him burn for more... Gianna Santini has one love in her life – work. A disastrous failed marriage was evidence enough to realize she was better off on her own. That is until a handsome Scot strolled into her life and literally swept her off her feet. She is unprepared for the blazing passion between them or the truth he exposes. But as her world begins to unravel, she realizes the only one she can depend on is the very one destroying everything - a Dragon King. **Every 1001 Dark Nights novella is a standalone story. For new readers, it’s an introduction to an author’s world. And for fans, it’s a bonus book in the author’s series. We hope you’ll enjoy each one as much as we do.**

The stories in 'The Nine Sons of the Dragon' come from an ancient legend. The powerful dragon king had nine sons who were all different in character and who were all forced to live on earth by an emperor's evil plot and by the brotherly love among the nine dragon brothers.

Dragons: Father and Son Open Road Media

This electrifying thriller in the #1 New York Times bestselling series has President Jack Ryan and his allies facing a treacherous foe threatening to unleash chaos around the globe... When Russian President Valeri Volodin’s ambitions are foiled in Dagestan, he faces a difficult choice. The oligarchs who support him expect a constant flow of graft, but with energy prices cratering, the Russian economy sputters to a virtual halt. Unable to grow the Russian market at home, his hold on power relies on expansion abroad—a plan that has been thwarted by the United States in the past. But this time Volodin has determined that an indirect approach is the best. A floating natural gas facility in Lithuania is blown up. A Venezuelan prosecutor is assassinated. A devastating attack on a Russian troop train kills dozens. A chaotic world is the best camouflage for a series of seemingly unrelated attacks. Only one man recognizes an ominous pattern in the reports of terror from around the globe. U.S. President Jack Ryan sees a guiding hand in the worldwide chaos, but before he can act he needs proof. While his intelligence agencies race to uncover the truth behind the attacks, the President struggles to unite a fractious and distrustful coalition of Western nations against the schemes of the Russian dictator. With five thousand Russian troops poised to invade a NATO nation, can Jack Ryan move swiftly enough to stop Volodin’s grand plan of global conflict and conquest? Or will he succeed in changing the balance of world power forever?

Magic will make you invincible. If it doesn't kill you first. In a world where magic is punishable by death, brothers Aric and Fadan stumble upon a mysterious, ancient book - A Manual of Magic. They are faced with a choice: take the book straight to the Emperor or see if one of them has the forbidden magical Talent. A decision that will change their lives, and the Empire itself, forever. The brothers are swept away, sent to opposite ends of the world, one to train as a Dragon Hunter while the other taps into magical powers that could spell his execution. Dark forces are moving in the shadows, and while the nobility whispers of rebellion, an ancient evil, long thought gone, is about to awaken. Can Aric and Fadan save the Empire? Will they survive to ever see each other again?

A graphic novel edition of The Mystery Knight, one of the thrilling Dunk and Egg novellas from George R. R. Martin’s A Knight of the Seven Kingdoms and a prequel of sorts to A Game of Thrones “Every wedding needs a singer, and every tourney needs a mystery knight.” Westeros is eerily peaceful. King Aerys I sits on the Iron Throne. A ravaging plague has abated. Yet beneath the surface, tensions linger sixteen years after a failed rebellion. In these restless times, noble hedge knight Ser Duncan the Tall—Dunk, to his friends—and his precocious boy squire, Egg, travel the Seven Kingdoms performing chivalrous deeds, though Egg’s bloodline must be concealed at all costs. After heading north for Winterfell, Dunk and Egg are lured off the kingsroad by a wedding feast—and an unusually lucrative tournament. The champion jouster will claim a rare trophy indeed: a dragon’s egg. Dunk, always better in a melee, would be satisfied with a hot meal, a cup of wine, and a purse full of coins. But a treasonous plot is more likely to hatch before another dragon ever stretches its wings. Someone’s on to Egg. And a mystery knight with designs on an even bigger prize soon throws the

entire affair into chaos.

"I loved everything about Dragon Mine, from the scorching first chapter to the epic worldbuilding. It’s my new favorite Donna Grant novel! All hail Donna Grant, the Dragon Queen!" — New York Times bestselling author Larissa Ione Walk with New York Times and USA Today bestselling author Donna Grant through the doorway into the next engaging installment of her captivating new Dragon Kings series... I am hers, and she is mine... Vaughn has spent eons searching for the woman who captured his heart, only to be disappointed time and again. Sure, he sees her in his dreams. May get to touch and hold her. But it’s not the same. As the emptiness inside him grows, he jumps at the chance for a distraction. Setting his eyes on the dragons again in Zora is a balm, but it can’t compare to once again coming face-to-face with the gorgeous beauty who holds a piece of his soul. With responsibilities comes sacrifice... Eurwen has never known anything but the burden and joy of ruling the dragons. But unlike her twin, she’s always been curious about Earth and the Kings and felt as if something were missing from her life. When her reunion with her parents brings an unexpected surprise, she can’t help but give in to the pleasure that Vaughn offers. Still, her loyalty lies with her realm, and the hurdles in their way to happiness seem insurmountable—especially with a new and unknown foe seeking to destroy them. Trust doesn’t come easily, but love conquers all. And no amount of time or space can keep those who belong together apart. “I love fantasy romance and Donna Grant is one of the best at writing it. Dragon Mine defines what it means to have a true soulmate. I was captivated by this sexy love affair that was eons in the making.” — New York Times bestselling author, Sawyer Bennett

A PARODY OF THE BELOVED FANTASY DOORSTOP... ER, SAGA In the land of the Eight (or was it Six?) Kingdoms—where the seasons last as long as a series of bestselling Tolkien-esque novels—trouble is brewing. The mud is growing muddier, the onions are rotting, the Wall to the North (or is it the South?) is melting, and Lord Barker of Summerseve is getting worried. His wife is addicted to Godsweede, his King is too fat to fit into his armor, and the foreshadowing is out of control. All in all, not the position you want to be in when Summer is coming. From this world of outdoor fornication with horse-people (and indoor fornication with blood relatives) comes an epic story of novella proportions. Amid plots and counterplots, power-hungry warriors and overworked ravens, poor reception and no wireless, the future of the Barkers, their BFFs, and their enemies dangles in the balance, as each strives to survive long enough to appear in at least two of the sequels. All About Chinese Dragons Lulu Enterprises Uk Limited

In Mistress of Dragons we were introduced to a world where political deception, greed, and avarice have lead to a violation of the "hands off" policy of the Parliament of Dragons concerning the affairs of men. Indeed that violation threatens more than policy and order it threatens the peaceful existence of the human race. Man's only hope and his greatest threat is The Dragon's Son Twins born out of violence and raised apart. Ven (short for Vengeance) is raised in seclusion under the watchful eye of his deceased mother's Amazonian lover. He is a child whose appearance belies his heritage - half-man/ half-dragon. Marcus is raised in a court, and given all of the protections and breeding that would entail. He appears to be completely human, yet his psychic link with the brother he has never known betrays the dragon magic that lies within him. It is up to the dragon emissary who passes himself off as a man, Draconas, to protect them both before the internecline struggle destroys the Parliament of Dragons and brings an oppressive reign of fire down upon all mortal men. NEW YORK TIMES BESTSELLER • This lavish visual history—featuring over 180 all-new illustrations—is a stunning introduction to House Targaryen, the iconic family at the heart of HBO’s Game of Thrones prequel series, House of the Dragon. For hundreds of years, the Targaryens sat the Iron Throne of Westeros while their dragons ruled the skies. The story of the only family of dragonlords to survive Valyria’s Doom is a tale of twisty politics, alliances and betrayals, and acts both noble and craven. The Rise of the Dragon chronicles the creation and rise of Targaryen power in Westeros, covering the history first told in George R. R. Martin’s epic Fire & Blood, from Aegon Targaryen’s conquest of Westeros through to the infamous Dance of the Dragons—the bloody civil war that nearly undid Targaryen rule for good. Packed with all-new artwork, the Targaryens—and their dragons—come vividly to life in this deluxe reference book. Perfect for fans steeped in the lore of Westeros, as well as those who first meet the Targaryens in the HBO

series *House of the Dragon*, *The Rise of the Dragon* provides a must-have overview for anyone looking to learn more about the most powerful family in Westeros.

Four tales of fantasy from a twentieth-century literary master—selected as the 1975 New York Times Outstanding Book for Children John Gardner’s first children’s book takes the traditional fairy tale and turns it on its head. In the title story, a meddling dragon meets his match. “The Tailor and the Giant” tells the story of a cowardly man who finally faces his fears. A villainous beast of burden attempts to rid himself of his master in “The Miller’s Mule.” And in “The Last Piece of Light,” a brave young chimney-sweep saves the world from darkness. Filled with irreverent twists on the classic elements of princes and princesses, witches and wizards, and the magical realms that they inhabit, *Dragon, Dragon* is a collection of fun and fantastic tales to be cherished by readers of all ages.
