PRECIOUS JASE

The Gates of Paradise
Lulu.com

She only went to that party to protect a friend. 16-year-old Hannah longs to be bold enough to break the rules, but her fear of rocking the boat

gets in the way. That's why she turns down a date with Brad, the guy she secretly likes but her friends have labeled as a loser, to keep her promise

to watch Sierra's back at a party. But that decision changes her life forever, as Hannah is the one whose drink is drugged and who wakes up the next morning with no memory of what happened the night before. She's been date raped, and she doesn't want anyone to know. Not her parents, not her goody-two-shoes best friend Molly, and definitely not Brad. But keeping quiet leaves Hannah stuck in depression, fear, and self-blame, creates an ever-

widening rift between her and Molly, and reinforces the lie that she is a hypocrite who gets drunk and sleeps around. The only way out is an act of courage she isn't sure she is capable of. When Hannah decides to reinvent herself into someone unafraid to speak her truth -- or to date Brad no matter what anyone thinks-- friends and enemies alike pressure her to go back to being quiet, while her own fear and pain keep getting in her way. But if she doesn't silence the

frightened voice in her head and stand up for herself and other survivors, there's no way she'll ever be able to reclaim her happiness. And she's not the only one who could get hurt if she lets her rapist win. NOTE: Since Reinventing Hannah (#ReinventingHannah) is about the journey of a 16-year-old rape survivor, it may be difficult or painful for you to read if you are a real-life survivor. However, many such readers find it empowering, even though they may also need to

take lots of breaks. Read it the way that's best for you, and don't forget you can always call the National Sexual Assault Hotline at 1-800-656-4673 if you need to talk after reading.

Van Alen Legacy, The (Blue Bloods, Book 4)

Disney Electronic Content All his life Reggie had wanted people to look up to him. At last they had a legitimate reason. Now when he walks down the street, past the supermarket he robbed more than once and the ice cream stand where he

worked until he was caught stealing, people stop to shake his hand and slap him on the back and wish him well. Those passing in cars recognize him and honk their horns or wave to him out their windows. He is a symbol even amidst all that squalor. He made it, he's a success.

Blue Bloods: Disney Electronic Content "Anyone who has ever seen the hit TV show Blue Bloods knows that the family dinner is the centerpiece of every episode. And there are

really only three things that Blue Bloods-and everyone else-need to make a successful family dinner: family, love and food. Bring the first two to the table and The Blue Bloods Cookbook will provide the third! Bridget Moynahan, the show's star, invites you to partake in that sacred family ritual, offering food lovers more than 100 delectable recipes and bringing you Irish/Italian comfort food that will make you feel right at home,"--Amazon.com. For this elite group of teenagers, New York is all about parties, fashion...AND BLOOD. Schuyler Van Alen is a loner, and happy that way. But when she turns fifteen, her life

dramatically changes. A mosaic of blue veins appears on her arms, and she begins to have memories of another time and place. When a classmate is found dead at a night club, the mystery deepens. Most surprising of all, Jack Force, the hottest boy in school, starts showing a sudden interest in her. Schuyler wants answers, but is she prepared to learn the truth...especially when she discovers her part in it? The sexy and secretive world of the Blue Bloods comes to life

in this stunning graphic novel adaptation of Book One in Melissa de la Cruz's internationally best-selling series.

The Story of a True Blue Blood Bec McMaster

A follow-up to Blue Blood that tells the recent history of the Duke-Carolina college basketball rivalry. When Art Chansky's Blue Blood was published in 2005, ESPN's Dick Vitale said it was about "the greatest rivalry, not just in college basketball, but in all of sports" and the book was hailed by The East

Carolinan as the "holy text for both sides of the rivalry." Now, 13 years later, Chansky revisits the fiercest college basketball rivalry. Since 2005, Duke-Carolina has been a study of rival recruiting philosophies, disparate playing styles, classic game encounters, coaching milestones, All-American and NBA draft draft picks galore, plus off-the-court drama, and most recently, the ultimate question of who will be the next caretakers to this national treasure. Winning more

Atlantic Coast Conference and NCAA championships than the rest of the ACC combined made Duke and UNC the true blue bloods of basketball. When the prequel to this book was published in 2005, few fans thought the passionate backyard battle could get any better, but the last 13 years have added new colors and different fabrics to the mosaic that is the remaining virtue of the college game's regular season, which for everyone else is now a qualifying run to the NCAA

tournament and March Madness. Chansky brings all of these details to light, making *Blue Blood II* a must-have follow-up for Duke and UNC fans, and college basketball fans in general.

Blue Blood II Disney Electronic Content The thrilling sequel in Melissa de la Cruz's vampire mythology has all the glamour, attitude, and vampire lore. Schuyler Van Alen wants an explanation for the mysterious deaths of young Blue Bloods. Her search brings her to

A mysterious high-profile homicide in the nation's capital collides with the dark side of national security in David Baldacci's new, heart-stopping thriller. TRUE

BLUE Mason "Mace" Perry was a firebrand cop on the D.C. police force until she was kidnapped and framed for a crime. She lost everything--her badge, her career, her freedom--and spent two years in prison. Now she's back on the outside and focused on one mission: to be a cop once more. Her only shot to be a true blue again is to solve a major case on her own, and prove she has the right to wear the uniform. But even with her police chief sister on her side, she has to work in the shadows: A

vindictive U.S. attorney is looking for any reason to send Mace back behind bars. Then Roy Kingman enters her life. Roy is a young lawyer who aided the poor until he took a high-paying job at a law firm in Washington. Mace and Roy meet after he discovers the dead body of a female partner at the firm. As they investigate the death, they start uncovering surprising secrets from both the private and public world of the nation's capital. Soon, what began as a fairly routine homicide

takes a terrifying and unexpected turn-into something complex, diabolical, and possibly lethal.

When Caleb Byrnes receives an invitation to join the Company of Rogues as an undercover agent pledged to protect the crown, he jumps at the chance to find out who, or what is behind the disappearances. Hunting criminals is what the darkly driven blue blood does best, and though he

prefers to work alone, the opportunity is too good to resist. The problem? He's partnered with Ingrid Miller, the fiery and passionate *verwulfen* woman who won a private bet against him a year ago. Byrnes has a score to settle, but one stolen kiss and suddenly the killer is not the only thing Byrnes is interested in hunting.

THE MECH WHO LOVED ME Blue bloods are dying from a mysterious disease, which should be impossible. Ava suspects there's more to the case than meets the eye.

There's just one catch—she's ordered to partner with the sexy mech, Kincaid, who's a constant thorn in her side. Kincaid thinks the only good blue blood is a dead one. He's also the very last man she would ever give her heart to... which makes him the perfect candidate for an affair. The only rule? It ends when the case does. But when an attempt on her life proves Ava might be onto something, the only one who can protect her is Kincaid. Suddenly the greatest risk is not to their

hearts, but whether they can survive a diabolical plot that threatens to destroy every blue blood in London—including Ava.

YOU ONLY LOVE TWICE First rule of espionage: don't ever fall in love with your target. Five years ago, Gemma Townsend learned the hard way what happens when you break this rule. Love is a weakness she can never afford again. When offered a chance at redemption, the seductive spy is determined to complete her assigned task: to track down a

dangerous assassin known as the Chameleon. But as her investigation leads Gemma into a trap, she's rescued by a shadowy figure she thought was dead—Obsidian, the double agent who once stole her heart. Can Gemma ever trust her heart again? Or is history doomed to repeat itself? Because it soon becomes clear the Chameleon might be closer than they realize... and this time Gemma is in the line of fire. TO CATCH A ROGUE An impossible heist. A

thief and a rogue. But will she steal his heart, instead? The Company of Rogues finally knows the identity of the mastermind behind a plot against the queen—and when he kidnaps one of theirs, the Rogues plan a daring rescue mission that will lead them into the heart of the bloodthirsty Crimson Court. It's a job for a master thief, and there's nothing Charlie Todd likes more than a challenge. To pull off the impossible, Charlie needs a crew, including the only thief who's ever been able

to outfox him. He broke her heart. But now she must risk it all to save his life... DUKES ARE FOREVER A compromising situation forced him into marriage. But has his wife been working for the enemy all along? The Duke of Malloryn can trust no one, and when incriminating photographs surface—of an enemy agent stealing a kiss from his wife—he is forced to question just why his wife, Adele, trapped him into marriage. Is she an innocent pawn caught up in a madman's games, or

is she a double agent working against him? The only way to discover the truth is to seduce her himself... FROM LONDON, WITH LOVE With London finally at peace, there is only one threat remaining to the stability of the monarchy.... The queen is without an heir. A Dictionary of Famous Characters and Plots in Legend, Fiction, Drama, Opera and Poetry, Together with Dates and Principal Works of Important Authors, Literary and Journalistic Terms, and Familiar Allusions Harper Collins A must-read for humans of all ages, this middle grade novel grows up before your very eyes. Painfully shy and lonely,

eleven-year-old Mariah Miller hates being a human; she'd rather be an animal so she wouldn't have to go to school and deal with mean old Mrs. Tarbox and her nasty cousin, Travis, who has invaded her life. Enchantment abounds when she finds a magic spearhead on the beach that allows her to talk to a wise old horseshoe crab and a host of other animals. Her father becomes seriously ill, and throughout her trials in the real world, she is often surprised by the

unpredictable power of the spearhead. As she travels through time and space, and listens to the wisdom of creatures and people, Mariah makes leaps in her own personal growth, discovers the interdependence of all living things, learns how perspective creates reality, and what it really means to be human. Revelations Light Technology Publishing Regina Ward, granddaughter of Corbin Ward, breeder of multiple stakes winners, had blood as blue as anyone in

Kentucky. But what her grandfather had built, her father had gambled away. He'd already lost four prized horses to an arrogant, infuriating Brit. Reggie isn't about to lose her heart to him as well. Caretaker to his family's thoroughbred racing empire, Parker Stuart has zero tolerance for anyone who slights him or his blue-blooded British family. Reggie may have considered their brief, torrid affair no more than a spring fling, but she'd run off with Parker's heart when she'd dumped him.

Now it's time to settle the score. It's up to Reggie to save what's left of her family homestead and her proud Kentucky heritage. But when Parker shows up to collect his horses, all bets are off. Reggie's never been a gambler and Parker despises losing. But when Kentucky blue blood tangles with British blue blood, are they willing to take a gamble on love? When Lucifer assigns Jack and Mimi the tasks of killing their true

loves, the Force twins' secret vow to defeat the Dark Prince once and for all will face the ultimate test. How far will Mimi and Jack go to conceal their true loyalties? Meanwhile, former vampire Bliss Llewellyn has joined forces with Lawson, the greatest wolf of the underworld, to free his people from their imprisonment in Hell. As they struggle against seemingly impossible odds, an ancient message, woven into the very fabric of time, reveals just how much

depends on the success of their mission. Only Schuyler, the key to the Gate of Promise, has the power to unleash Lucifer's army of Silver Bloods. When she is taken captive and delivered straight to Hell, Schuyler must make an unthinkable choice-the same one the angel Michael was forced to make in Florence so long ago. Will she find the strength to do what he could not? The epic, heartbreaking Blue Bloods series comes to a close with this final novel about staggering courage,

Masquerade (a Blue Bloods Novel)

Disney Electronic Content
Noel Robertson was born during WWII. He worked hard to gain qualifications in school, banking and

then general construction. All the time Noel had a nagging question - "Why are we so poor and who are these people controlling everything?" A Jewish friend told him that 'only fools work'! This made him think, so he embarked on various self-employed activities. Becoming ill at age 51, he has not worked since. He started his research into the history of mankind which took place way before all those Biblical stories - he needed to know the origins of our species and set out to find

the 'missing' link according to Charles Darwin. Time allowed Noel to read numerous books allied to this subject, including those written by Zecharia Sitchin setting out his translations of the Sumerian Tablets. Noel basically found out where we, as a human race, came from. It was these findings that led to Black Blood = 21st Century Oil Rush. This brings right up

to date the reasons for wars, both historical and current, which mankind has had to endure. Man has simply given his mind away! If you think you are free, then think again. It is a journey from pre-history, through Biblical times, the renaissance period to the present. Imperialist administrations are still fighting wars over the 'control' of modern energy - oil and gas - and indeed

human minds. Man is being drawn in with most of the world not realising and understanding the covert powers at work here. Black Blood = 21st Century Oil Rush provides some very interesting answers - true understanding is highly controversial. Just substitute the word 'God' for 'space-ship' and 'global' for New World Order and enter Noel's world.
