ATKINSON BLAZE

Water Challenge Badge
Simon and Schuster

In his much-anticipated third book, northern Nevada author Dennis Cassinelli explores an

array of issues often neglected by professional archaeologists and anthropologists. Leveling a critical eye at our current system of science, Cassinelli delves deep into the historical mysteries of the Great Basin and beyond, tracing the roots of bygone civilizations and piecing together the intricate puzzle of who we are and where we came from. Join Dennis on a journey through time that offers insightful new theories on topics ranging from Christ to the Spirit Cave Man to the ancient

Mayans. With his passion for discovery combined with a conversational narrative style, Cassinelli ignites a compelling interest in history by posing questions few others dare ask
Seekers #1: The Quest Begins HarperCollins
 Soil is essential for life – it provides nutrients, water and minerals to plants and trees, and is home to millions of insects, bacteria and small animals. Without soil, we would not be able to grow any crops or other useful plants, support any

livestock, or have materials for building shelter – soil really is a life-giver! Healthy soils also store and filter water, recycle nutrients and help us to deal with the negative effects of climate change by storing large amounts of carbon. But our soils are at risk; negative actions such as pollution and bad agricultural practices leave our soils exposed and damaged. We need healthy soils to support human well-being and a healthy planet. This is where the Soils Challenge

Badge comes in: let it take you on a journey to discover the ground beneath your feet! This booklet is packed with activities to help you learn about soil and how it is formed, the creatures that live in it, and just how important it is in our everyday lives. You will also discover how YOU can play a role in protecting soils for future generations. We hope you will be inspired to take the challenge and celebrate our planet's soils. Dig in!
Here Come the Girl Scouts! The Amazing All-

True Story of Juliette "Daisy" Gordon Low and Her Great Adventure Saqi
The purpose of the United Nations challenge badges is to raise awareness, educate and, most of all, motivate young people to change their behavior and be active agents of change in their local communities. Challenge badges are appropriate for use with school classes and youth groups, and are endorsed by WAGGGS and WOSM. They include a wide range of activities and ideas that can easily be adapted by teachers or

leaders. Additional badges are available or are being developed on a number of other topics, including: Agriculture, Biodiversity, Climate Change, Energy, Forests, Hunger, Nutrition, the Ocean and Soils. The Water Challenge Badge is designed to show the crucial role water plays for life on our planet as well as for human wellbeing. The badge looks at how our water supplies are affected by human pressures, considers solutions for how water can be used more efficiently and motivates

young people to save water and engage in efforts to increase equitable access to clean water.

Badges, Emblems and Pennants Metuchen, N.J.

: Scarecrow Press

The first book in a thrilling animal fantasy series following the epic journey of three bears, from the #1 nationally bestselling author of *Warriors*. When three young bears from different species—black, polar, and grizzly—are separated from their families, fate brings them together on a path that

will change their lives forever. Along the way, they will face great danger, terrible tragedies, new landscapes, and situations that require all their ingenuity to survive. For fans of *Warriors*, *Survivors*, and animal fantasy series like *Wings of Fire* and *Foxcraft*, *Seekers* is a sweeping and incredible journey through the beautiful, dangerous world of wild bears.

My Name Is Not Isabella Girl Scouts of the USA Instant New York Times Bestseller! 11-year-old Alice Paul Tapper--

daughter of CNN's Jake Tapper--is challenging girls everywhere to speak up! When Alice Tapper noticed that the girls in her class weren't participating as much as the boys, she knew she had to do something about it. With help from her Girl Scout troop and her parents, she came up with a patch that other girls could earn if they took a pledge to be more confident in school. Alice even wrote an op-ed about the experience for the New York Times! Inspired by that piece,

this picture book illustrates her determination, bravery, and unwillingness to accept the status quo. With Marta Kissi's delightful illustrations depicting Alice's story, young readers everywhere will want to follow Alice's lead and raise their hand!

Basic Water Rescue

Responsibility for safety, group leadership, camping activities, water activities, and more.

Girl Scout Leader Girl Scouts of USA

New York Times Bestseller! Just How Big Can a Little Girl Dream? Ask Isabella... She takes a wild ride-and discovers the sky's the limit! "This story...speaks frankly about self-identity and self affirmation as Isabella decides at the end that she is actually herself...because she possesses the best parts of all of the women she looks up to." -ForeWord Magazine "The colorful mixed-media artwork reinforces the fanciful, upbeat tone of the book. Use this story to ignite

young readers' interest in women's history." -School Library Journal Who Is Your Hero? Isabella's include U.S. Astronaut Sally Ride, activist Rosa Parks, and sharpshooter Annie Oakley-but there's no bigger hero than Isabella's own mommy! Join Isabella on an adventure of discovery-and find out how imagining to be these extraordinary women teaches her the importance of being her extraordinary self. A rollicking read-aloud and terrific "read-to-myself"

story, *My Name Is Not Isabella* is capturing hearts and awards, including: Silver ForeWord Book of the Year Award for Picture Books Gold Moonbeam Children's Book Award Gold Independent Publisher Book Award Amelia Bloomer List Jennifer Fosberry is a science geek turned children's book writer. Until recently, she worked as a project manager in Silicon Valley in the high-tech electronic field. She currently divides her time between the San Francisco Bay

Area and Costa Rica with her husband and three children. Mike Litwin combines a variety of media to create scenes that serve the imagination and education of women. A graduate of the East Carolina University School of Art and Design, he plays both designer and illustrator with an often wacky, always delightful style that uniquely blends playful innocence with devilish mischief. Illustrating and telling stories for children is his passion, his entertainment, and his

dream. He currently lives in Greenville, North Carolina, with his wife and three daughters.

through life’s challenges and discovering how truly amazing she is.—#UnstoppableTotalPackageGirl.
The World Book Encyclopedia Penguin
In the old days there were songs... Something is bothering Russel Susskit. He hates waking up to the sound of his father's coughing, the smell of diesel oil, the noise of snow machines starting up. Only Oogruk, the shaman who owns the last team of dogs in the village, understands Russel's longing for the

old ways and the songs that celebrated them. But Oogruk cannot give Russel the answers he seeks; the old man can only prepare him for what he must do alone. Driven by a strange, powerful dream of a long-ago self and by a burning desire to find his own song, Russel takes Oogruk's dogs on an epic journey of self-discovery that will change his life forever.

Soils Challenge Badge

Random House Books for Young Readers

The inspiring memoir for young readers about a

Latina rocket scientist whose early life was transformed by joining the Girl Scouts and who currently serves as CEO of the Girl Scouts of the USA. A meningitis outbreak in their underprivileged neighborhood left Sylvia Acevedo's family forever altered. As she struggled in the aftermath of loss, young Sylvia's life transformed when she joined the Brownies. The Girl Scouts taught her how to take control of her world and nourished her love of numbers and science. With new

confidence, Sylvia navigated shifting cultural expectations at school and at home, forging her own trail to become one of the first Latinx to graduate with a master's in engineering from Stanford University and going on to become a rocket scientist at NASA's Jet Propulsion Laboratory. Simultaneously available in Spanish!

A guide to Girl Scout badges, what they mean and the requirements to earn them.

Uncovering Archaeology

AuthorHouse

In more than nine decades of Girl Scouting, a vast popular and material culture has given rise to a wealth of Girl Scout history collections. More than an identification guide to uniforms, insignia, and other Girl Scout objects, this work also documents when changes occurred and why new items were introduced. Placing these objects in context, this essential guide provides a discerning look at the history and development

of the Girl Scout Movement in the United States. Scholars and aficionados of Girl Scout history, costume history, women's studies, popular culture, and dress will welcome this indispensable and definitive resource. This new, expanded edition, with hundreds of illustrations, photographs, and tables, is indisputably the go-to source for information on all Girl Scout uniforms, insignia, awards, and handbooks, as well as dolls, postcards, posters,

calendars, and more--from the founding of the Girl Scouts in 1912 through the present day. "An invaluable resource to Girl Scout councils managing a history collection. And, beyond that . . . an informative and intriguing glimpse . . . into the evolution of a Movement that . . . today is the world's preeminent organization dedicated solely to girls." --Cynthia B. Thompson, chair, National Board of Directors, and Kathy Cloninger, national chief executive officer, GSUSA

"An indispensable reference for collectors; a fascinating resource for anyone interested in Girl Scouting, this comprehensive guide to Girl Scout memorabilia is firmly grounded in the history of the Girl Scouts of the United States. Mary Degenhardt and Judith Kirsch show us what Girl Scouts wore and read, and explain how changes in uniforms, insignia, and publications reflect the evolution of Girl Scout programs and the expansion of opportunities for

American girls. Reading this book is like walking through a fine museum where material culture brings the past to life." -- Anastatia Sims, author of *Negotiating Boundaries of Southern Womanhood* **Dogsong** Prentice Hall
 An introduction to the five senses and the organs that perform the functions of sight, hearing, smell, taste and touch.
[The Guide for Junior Girl Scout Leaders](#) Capstone
 Yellow hates Red, so does Green, and no one likes Orange! Can these crayons quit arguing and

learn to cooperate? Shane DeRolf's deceptively simple poem celebrates the creation of harmony through diversity. In combination with Michael Letzig's vibrant illustrations, young readers will understand that when we all work together, the results are much more colorful and interesting.
[Worlds to Explore](#) Texas Tech University Press
 "In this journey, Brownies have fun learning that stories contain clues that can be used to make the world a better place. In

fun, flip-book format, one side is devoted to fictional stories that take Brownie girl characters to diverse places in the world. The other side has stories of real-life Brownies exploring their world closer to home. Through the journey's many adventures, anecdotes and activities, girls follow through on clues and enjoy a fun and challenging experience that strengthens their confidence and gives them a chance to better the world." --Website.
Cub Scout Activities

Albany Institute of History and Art
On John's visits to Grandpa's house, his blind grandfather shares with him the special way he sees and moves in the world.

Dinaane Food & Agriculture Org.
This unique activity book harnesses the power of expressive arts! Fun and creative assignments encourage girls to better understand themselves, strive for a balanced life and set meaningful goals for the future. Readers use past photos and new

images created through picture-taking and drawing to promote self-awareness and self-esteem. Although designed for individual girls, many of the activities may be done in groups, so this is a wonderful tool for teachers, school counselors and youth leaders who want to help girls thrive. Although the exercises in the workbook are meaningful and empowering for all, the book is recommended for girls and adolescents ages 9 through 15. (Younger

girls may choose to work with a parent, which provides a creative opportunity for connection.)

Her Story Harper Collins Most people have heard of Susan B. Anthony, Harriet Tubman, Margaret Sanger, and Eleanor Roosevelt. But did you know that a female microbiologist discovered the bacterium responsible for undulant fever, which then led to the pasteurization of milk? Or that a female mathematician's work laid the foundation for

abstract algebra? Her Story is a one-of-a-kind illustrated timeline highlighting the awesome, varied, and often unrecognized contributions of American women throughout U.S. history, beginning in the 1500s and spanning all the way through 2011. The women featured in Her Story range from writers, artists, actors, and athletes to doctors, scientists, social and political activists, educators, and inventors, and come from all backgrounds and

philosophies. Her Story is a captivating look at America's often unsung female champions that will resonate with women and men alike.

Worlds to Explore Girl Scouts of USA

The amazing, all-true story of the first Girl Scouts and their visionary founder. Juliette Gordon Low--Daisy to her friends and family--was not like most girls of the Victorian era. Prim and proper? BOSH! Dainty and delicate? HOW BORING! She loved the outdoors, and she yearned for

adventure! Born into a family of pathfinders and pioneers, she too wanted to make a difference in the world--and nothing would stop her. Combining her ancestors' passion for service with her own adventurous

spirit and her belief that girls could do anything, she founded the Girl Scouts. One hundred years later, they continue to have adventures, do good deeds, and make a difference!
