The history of this book dates back exactly 20 years. When I first set foot on the shores of Indonesia in September 1947, I was, amongst other things, assigned the task of teaching Malay literature in an advanced teacher-training course, with the instruction to lay stress on modern literature. This was easier said than done, as very little had been written on the subject, and few materials were

available to me. From this period I recall with great gratitude the regular and friendly contacts I had with Mr. Sutan Takdir Alisjahbana, who in many ways helped me with information and documentation. The editor of the magazine "Kritiek en Opbouw" found my lecture notes on some pre-war authors worth publishing. These articles, with an introduction on Bahasa Indonesia and some other additions, were subsequently collected and published by Pembangunan under the title *Voltooid Voorspel* (Completed Prelude) (Jakarta 1950). The little book sold fairly quickly, but rather than publishing a new edition in Dutch the publisher was interested in bringing

out an Indo~nesian adaptation. Much material was added, the larger part of which had been collected by writing occasional reviews of Indonesian literary works for the Dutch newspaper Nieuwsgier in Djakarta. The text of the book was very conscientiously turned into Bahasa Indonesia by Anku Raihul Amargi

Mengapa isteri suka bertanya kepada suami, kemudian mendakwa si suami salah setelah mereka memberikan jawapan? Mengapa orang lelaki

tidak pernah jumpa barang yang dicari dalam peti ais dan almari, tetapi boleh pula mencari jalan ke kedai minum yang berhampiran? Mengapa wanita dapat menyedari kehadiran wanita lain yang lebih cantik dari jauh, tetapi boleh terlanggar pintu garaj pula bila hendak meletakkan kereta? Mengapa orang lelaki tidak pernah menonton TV tanpa menukarkan siarannya? Lupakan segala perkara berbaur politik yang pernah diberitahu kepada kita tentang lawan jantina (walaupun betul)! Lelaki dan wanita tidak sama. Dengan memahami perkara ini merupakan tiket percuma untuk kita menjalin hubungan yang lebih menyeronokkan,

memberi kepuasan dan bertahan lama. Dalam buku ringkas yang 'menjolak' pemikiran dan mencuit hati ini, pakar mengenai hubungan yang terkenal di peringkat antarabangsa iaitu Allan dan Barbara Pease mendedahkan penemuan baru pada otak manusia, demi mengajarkan kita tentang 'bagaimana menjalani hidup yang lebih gembira dan harmoni bersama pasangan'. Sekiranya kita fikir bahawa kita tahu segala-galanya tentang pasangan kita, ataupun berharap kita tahu, maka inilah buku yang sesuai untuk kita! A “psychologically acute and boldly plotted” tale of a wealthy, dysfunctional family in Malaysia (Booklist, starred review). Set in Malaysia, this internationally acclaimed debut novel offers an unflinching look at relationships between parents and children, brothers and sisters, the wealthy and poor, a country and its citizens—all through the eyes of the prosperous Rajasekharan family. When Chellam, the family’s rubber-plantation-bred servant girl, is dismissed for unnamed crimes, her banishment is the latest in a series of

losses that have shaken six-year-old Aasha’s life. A few weeks before, Aasha’s grandmother Paati passed away under mysterious circumstances and her older sister, Uma, departed for Columbia University—leaving Aasha to cope with her mostly absent father, bitter mother, and imperturbable older brother. Moving backward and forward in time, *Evening Is the Whole Day* explores the closely guarded secrets that haunt the Rajasekharans: What was Chellam’s unforgivable crime? Why was Uma so intent on leaving? What did Aasha see? And, underscoring all of these mysteries: What ultimately became of her father’s once-grand dreams for his family

and his country? “A delicious first novel . . . [Samarasan’s] ambitious, spiraling plot, her richly embroidered prose, her sense of place, and her psychological acuity are stunning.” —The New York Times Book Review “A surpassingly wise and beautiful debut novel about the tragic consequences of the inability to love.” —Booklist, starred review “The language bursts with energy.” —Publishers Weekly

*Dewan sastera* Khairur Rahim Ahmad Hilme “How do I remove my nervous feeling?” Bad news is: You can’t. Good news is: You shouldn’t. Nervousness is a sign that we value the thing we are nervous about. But, just like any other human feeling, nervousness can go

haywire. It can hold us back from moving forward. This book is not about removing nervousness. This book is about controlling it. And it all starts with our mind. \*\*\* Inspired by countless anecdotes from young people with myriad self-confidence issues, Aiman wrote this book as a self-help guide to build self-confidence from scratch with proven practical tips and tricks from scientific literature and personal experience.

Since then, the "Nights" have occupied the minds of scholars world-wide, in particular the questions of origin, composition, language and literary form. In this book, Muhsin Mahdi, whose critical edition of the text brought so much praise, explores the complex literary
