Imagine reading a book written millions of years ago from within great, walled Lemurian monasteries where narrators look back and forward at the same time, chronicling mankind's journey to Earth from the Pleiades and other planets in the pursuit of unfolding into the ultimate

attainment, realization of the timeless, formless, spaceless Self within. Lemurian Scrolls is just that book. This ancient manuscript was not found etched on a cave wall or buried in forgotten ruins, but rather discovered through the practice of an inner archeology, the use of the third eye to read the akashic records. Many books exist in the inner akashic, library, and Satguru Sivaya Subramuniyaswami chose to share the chapters that comprise these Scrolls as a further effort to help us all realize where we came from, where we are going, and how to connect with our innate Divinity.

- Offers an in-depth experience of alchemical transmutation to cleanse old parts of the psyche and clear space for the shift to 5D through 9D consciousness
- Reveals the astrological factors at play behind the multitude of crises hitting the world stage in 2018, 2019, and 2020, including the Covid-19 pandemic
- Continues the story from Revelations of the Ruby Crystal and Revelations of the Aquarian Age With the Age of Aquarius dawning, six friends connected by ancient wisdom, spiritual revelation, past lives, and sexual alchemy discover the connections between seemingly

disconnected events--environmental collapse, schisms in the Catholic Church, the refugee crisis, political breakdown in the United States, the shift out of the age of oil to the high-tech economy, and the Covid-19 pandemic. The characters, as well as readers, experience moving out of fear-based consciousness to the higher dimensions. The story begins in Florence, Italy, at an art soirée in honor of Armando Pierleoni's visionary painting of Jesus and Mary Magdalene. In addition to the six friends--Armando, his photographer wife Jennifer, New York Times journalist Simon, his mystical wife Sarah, Jungian analyst Lorenzo, and exotically beautiful and astrologically insightful Claudia--the dinner party also includes Alessandro de Medici, later revealed to be a master alchemist, and the Jesuit priest Father Giorgio Faccini, the Vatican archivist and a covert agent for the Church's secret agenda. As the Aquarian vibrations intensify, Claudia sees the astrological factors at play behind the multitude of crises hitting the world stage, and then Covid-19 hits Italy. In the rapidly escalating tension, the deepest fears and greatest joys of the characters' lives are revealed. Armando has a spiritual breakthrough and high initiation with Lorenzo in his tower, and the friends discover alchemical keys and the perennial wisdom--long suppressed by the Church--that will help humanity transcend.

The Indian state of West Bengal is home to one of the world's most vibrant traditions of goddess worship. The year's biggest holidays are devoted to the goddesses Durga and Kali, with lavish rituals, decorated statues, fireworks, and parades. In *Offering Flowers, Feeding Skulls*, June McDaniel provides a broad,

accessibly written overview of Bengali goddess worship. McDaniel identifies three major forms of goddess worship, and examines each through its myths, folklore, songs, rituals, sacred texts, and practitioners. In the folk/tribal strand, which is found in rural areas, local tribal goddesses are worshipped alongside Hindu goddesses, with an emphasis on possession, healing, and animism. The tantric/yogic strand focuses on ritual, meditation, and visualization as ways of experiencing the power of the goddess directly. The devotional or bhakti strand, which is the most popular form, involves the intense love and worship of a particular form of the goddess. McDaniel traces these strands through Bengali culture and explores how they are interwoven with each other as well as with other forms of Hinduism. She also discusses how these practices have been reinterpreted in the West, where goddess worship has gained the values of sexual freedom and psychological healing, but lost its emphases on devotion and asceticism. *Offering Flowers, Feeding Skulls* takes the reader inside the lives of practicing Shaktas, including holy women, hymn singers, philosophers, visionaries, gurus, ascetics, healers, musicians, and businessmen, and offers vivid descriptions of their rituals, practices, and daily lives. Drawing on years of fieldwork and extensive research, McDaniel paints a rich, expansive portrait of this fascinating religious tradition.

Bestselling author, Doreen Virtue, brings you this enlightening book on connecting with your inner calling; recognition of your higher purpose; and spiritual power for healing. Doreen describes her innate spiritual gifts, such as psychic communication and spiritual healing abilities. She tells us how we all have these innate gifts, and provides *The Lightworker's Way* as a guidebook on how to bring these abilities to fruition. *The Lightworker's Way* will help you to set your spirit free, teaching you how to have miracles in your life as an everyday experience. It tells you how to divinely plan your life, heighten your psychic receptivity, open your third eye, make peace with God, and much, much, more. [Awakening Your Divine Ba](#) Simon and Schuster

How to awaken the Ureaus--the serpent power of spiritual transcendence within each of us--and connect to the superconscious of the universe • Reveals the biochemistry of how the body's melanin provides the template for the subtle energy body or light body • Shows how embracing the dark light consciousness of the awakened Ureaus opens a portal to the sacred darkness of the superconscious • Provides illustrated instructions for meditation practices, breathing exercises, and yoga postures to safely awaken Ureaus/Kundalini energy Within each of us lies the potential to activate a personal connection to the superconscious. Called "Ureaus" in ancient Egyptian texts and "Kundalini" in ancient Hindu yoga traditions, our innate serpent power of spiritual transcendence inhabits the base of the spine in its dormant state. When awakened, it unfurls along the spinal column to the brain, connecting individual consciousness to the

consciousness of the universe enfolded within the dark matter of space. At the root of creativity and spiritual genius across innumerable cultures and civilizations, this intelligent force reveals portals that enfold time, space, and the luminous matrix of reality itself. Combining physics, neuroscience, and biochemistry with ancient traditions from Africa and India, Edward Bruce Bynum, Ph.D., explores the ancient Egyptian science of the Ureaus and reveals how it is intimately connected to dark matter and to melanin, a light-sensitive, energy-conducting substance found in the brain, nervous system, and organs of all higher life-forms. He explains how the dark light of melanin serves as the biochemical infrastructure for the subtle energy body, just as dark matter, together with gravity, holds the galaxies and constellations together. With illustrated instructions, he shows how to safely awaken and stabilize the spiritual energy of the Ureaus through meditation practices, breathing exercises, and yoga postures as well as how to prepare the subtle body for transdimensional soul travel. By embracing the dark light of the shining serpent within, we overcome our collective fear of the vast living darkness without. By embracing the dark, we transcend reality to the dimension of light.

Destiny Books

In this memoir of upward mobility through an unexpected route, a young black American woman signs up for lessons in yoga and clean eating as signifiers of her new middle class status, little realizing that her new lifestyle will bring her face to face with the inner demons fed by the domestic violence, addiction, and poverty she witnessed as a child. Graduating, getting established in your career, and dating another

professional are things many young middle-class women expect to do and take for granted. But when your parents don't support you and you have siblings in prison, those milestones seem monumental. What does growing up poor do to your self-esteem? How do patterns of stress and family violence, poor diet and poor health continue to affect you even after you escape to a higher income bracket? And what can one woman do to turn around the cycle of racism, poverty, and intergenerational suffering? Hafiz gives a frank account of the anxiety and rewards of becoming "middle class" through a complete change of diet and adopting habits such as traveling and doing yoga. While her peers pursue one kind of African American dream by climbing the corporate ladder, Hafiz finds meaning in learning to cook macrobiotic food and practice meditation. By doing so, she recovers from chronic health conditions and heals from the family trauma she has inherited.

One Woman's Journey from Poverty to Inner Riches Llewellyn Worldwide

A rebel angel's revelations on the angelic quarantine after the Lucifer Rebellion 203,000 years ago • Explores many mythic events in Earth's ancient history, such as visits from the Nephilim and the Pleiadians and the growth and destruction of Lemuria • Reveals Earth as one of the worlds on which the rebel angels have been granted mortal incarnation and the opportunity to redeem their past • Interwoven with angelic observations about Timothy Wyllie's current and previous lives, such as his long involvement in the still controversial Process Church After the angelic rebellion 203,000 years ago, Earth and 36 other planets were quarantined from the larger Multiverse.

Despite aligning with Lucifer and the rebel angels, Georgia--an angel of Seraphic status--was permitted to remain on Earth and continue her role as a Watcher. In this book, Georgia, writing together with Timothy Wyllie, shares her personal account of half a million years on this planet. Focusing this volume 38,000 years after the angelic rebellion, Georgia shares her experiences being present for key decisions taken by the rebel angel leadership, witnessing firsthand Earth's steady descent into darkness, ignorance, and confusion. Georgia explores mythic events in Earth's ancient history, such as visits from the Nephilim and the Pleiadians and the destruction of Lemuria, and reveals information about angelic influence, their ability to affect whales and dolphins, and the presence of illicit alien colonies in remote areas of Earth. Interweaving her own story with observations about Timothy Wyllie's current and previous lives, such as his long involvement with the Process Church, she explores the supreme significance of the Earth as a world on which the rebel angels have been accorded the privilege of mortal incarnation and as an arena for accelerating spiritual growth. Georgia shares her words, in part, to awaken some of the over 100 million rebel angels currently living out their human lives, most unaware of their angelic heritage and struggling with their sense of being so different from other people. She shows that a mortal incarnation for a rebel angel is an opportunity to personally redeem their past and help prepare the way for the imminent transformation of global consciousness as the Earth is welcomed back into the Multiverse.

With compassion and compelling insight, the Pleiadians, those system-busting time-travelers from the future, take us on a journey through the uncharted lands of *The Book of Earth*, which comprises all human experience. While "our world goes belly-up in these most absurd of times," they offer us "tools for survival." During the crucial period between 1987 and 2012--a nanosecond in the annals of existence where secrets and solutions are stored--we have the unique opportunity to move from the deepest of density to the highest of frequencies--where we shift from linear to multi-dimensional living. To make this transition, we must face not only the limitations of our 3-D world with its electronic manipulation and mind control, we must embrace our own wounds, and those of our ancestors and our leaders. To heal ourselves, to raise our frequency from one of despair and fear to one of great inspiration and love, the Pleiadians urge us to rethink and reevaluate our lives: "You shall change, you will change, you must change, because this is the season of change."
