Shaped by sound literary and historical scholarship, The Broadview Anthology of British Literature takes a fresh approach to many canonical authors and includes a broad selection of work by lesser-known writers. The anthology also provides wide-ranging coverage of the worldwide connections of British literature, and it

pays attention throughout to matters such as race, gender, class, and sexual orientation. The full anthology comprises six bound volumes, together with an extensive website component; a passcode to access the latter is included with the purchase of one or more of the bound volumes. A two-volume Concise Edition and a one-volume Compact Edition are also available. Highlights of Volume 5: The Victorian Era include the complete texts of In Memoriam A.H.H., The Importance of Being Earnest, Carmilla, and Strange Case of Dr. Jekyll and Mr. Hyde, as well as Contexts sections on "Work and Poverty," "Women in Society,"

"Sexuality in the Victorian Era," "Nature and the Environment," "The New Woman," and "Britain, Empire, and a Wider World." The third edition also offers expanded representation of writers of color, including Mary Prince, Mary Seacole, Toru Dutt, and Rabindranath Tagore.

How to Read (and Write About) Poetry invites students and others curious about poetry to join the critical conversation about a genre many find a little mystifying, even intimidating. In an accessible, engaging manner, this book

introduces the productive questions, reading strategies, literary terms, and secondary research tips that will empower readers to participate in literary analysis. Holbrook explicates a number of poems, initiating readers into critical discourse while highlighting key poetic terms. The explications are followed by selections of related works, so the book thus offers what amounts to a brief anthology, ideal for a poetry unit or introductory class on poetry and poetics. A chapter on meter illuminates the rhythmic dimension of poetry and guides readers through methods of scansion. The second edition is updated throughout and includes a fresh selection of poems and the latest MLA citation guidance.

The Broadview Anthology
of British Literature
presents British literature
in a truly distinctive light.
Fully grounded in sound
literary and historical
scholarship, the anthology
takes a fresh approach to
many canonical authors,

and includes a wide selection of work by lesser-known writers. The anthology also provides wide-ranging coverage of the worldwide connections of British literature, and it pays attention throughout to issues of race, gender, class, and sexual orientation. It includes comprehensive introductions to each period, providing in each case an overview of the historical and cultural as well as the literary background. It features accessible and engaging headnotes for all authors, extensive explanatory annotations, and an unparalleled number of illustrations and contextual materials. Innovative, authoritative and comprehensive, The Broadview Anthology of British Literature has established itself as a leader in the field. The full anthology comprises six bound volumes, together with an extensive website component; the latter has been edited, annotated, and designed according to the same high standards as the bound book component of the anthology, and is accessible by using the passcode obtained with the purchase of one or more of the bound

volumes. For the third edition of this volume a considerable number of changes have been made. Newly prepared, for example, is a substantial selection from Baldassare Castiglione's *The Courtier*, presented in Thomas Hoby's influential early modern English translation. Thomas Kyd's *The Spanish Tragedy* is another major addition. Also new to the anthology are excerpts from Thomas Dekker's plague pamphlets. We have considerably expanded our representation of Elizabeth I's writings and speeches, as well as providing several more cantos from Edmund Spenser's *Faerie Queene* and adding selections from Sir Philip Sidney's *Arcadia*. We have broadened our coverage, too, to include substantial selections of Irish, Gaelic Scottish, and Welsh literature. (Perhaps most notable of the numerous authors in this section are two extraordinary Welsh poets, Dafydd ap Gwilym and Gwerful Mechain.) Mary Sidney Herbert's writings now appear in the bound book instead of on the companion website. Margaret Cavendish, previously included in volume 3 of the full anthology, will

now also be included in this volume; we have added a number of her poems, with an emphasis on those with scientific themes. The edition features two new Contexts sections: a sampling of “Tudor and Stuart Humor,” and a section on “Levellers, Diggers, Ranters, and Covenanters.” New materials on emblem books and on manuscript culture have also been added to the “Culture: A Portfolio” contexts section. There are many additions the website component as well—including Thomas Deloney’s *Jack of Newbury* (also published as a stand-alone BABL edition). We are also expanding our online selection of transatlantic material, with the inclusion of writings by John Smith, William Bradford, and Anne Bradstreet. *A Broadview Anthology of British Literature Edition* African Books Collective All of Gwerful Mechain’s known work is included here—as are several poems of uncertain authorship, and a selection of other works that help to fill in the historical and literary context. Each medieval Welsh poem is provided in the original language and

in two different translations—a literal translation and a second, freer translation, with rhyme patterns approximating those of the original. *Ancient, Modern, and Contemporary Texts* Broadview Press *Jack of Newbury* is an incisive yet remarkably entertaining work of narrative prose—and one that was extremely popular when it was published in the 1590s. The title character, an apprentice weaver, marries his former master’s wife, expands her cloth business into an enormous enterprise, refuses Henry VIII’s offer of a knighthood, and confronts Cardinal Wolsey; meanwhile, his servants find themselves in a range of comic situations. While amusing, *Jack of Newbury* also carries a serious and subversive political message: as Peter C. Herman puts it in his introduction to the volume, “the truly valuable subjects” in Deloney’s narrative “are not the nobility, but the merchant class.” The range of contextual materials included with this edition help to set it in the broader context of its economic and political

as well as literary culture. **The Broadview Anthology of Romantic Poetry** Broadview Press The selections from 132 authors in this anthology represent gender, social class, and racial and national origin as inclusively as possible, providing both greater context for canonical works and a sense of the era’s richness and diversity. In terms of genre, poetry, non-fiction prose, philosophy, educational writing, and prose fiction are included. Geographically, America, Canada, Australia, India, and Africa are represented along with Britain, emphasizing Romantic literature as a world literature. Biographical headnotes, explanatory footnotes, and an extensive bibliography clarify and illuminate the texts for readers. *How to Read (and Write About) Poetry – Second Edition* Broadview Press In all six of its volumes *The Broadview Anthology of British Literature* presents British literature in a truly distinctive light. the same high standards as the bound book component of the anthology, and is accessible through the broadviewpress.com website by using the passcode obtained with the purchase of one or more of the bound volumes. Highlights of Volume 6: *The Twentieth Century and Beyond* include: Joseph Conrad's "The Secret Sharer," "An Outpost of Progress," an essay on the Titanic, and a substantial range of background materials, including documents on the exploitation of central Africa that set "An Outpost of Progress" in vivid context; and a large selection of late twentieth and early twenty-first century writers such as Ian McEwan, Kazuo Ishiguro, and Zadie Smith. For the convenience of those whose focus does not extend to the full period covered in the final volume of *The Broadview Anthology of British Literature* (Volume 6: *The Twentieth Century and Beyond*), that volume is now available either in its original one-volume format or in this alternative two-volume format, with Volume 6a (*The Early Twentieth Century*) extending to the end of WWII, and Volume

6b (*The Late Twentieth Century and Beyond*) covering from WWII into the present century.

The London theatres arguably were the central cultural institutions in England during the Romantic period, and certainly were arenas in which key issues of the time were contested. While existing anthologies of Romantic drama have focused almost exclusively on "closet dramas" rarely performed on stage, *The Broadview Anthology of Romantic Drama* instead provides a broad sampling of works representative of the full range of the drama of the period. It includes the dramatic work of canonical Romantic poets (Samuel Coleridge's *Remorse*, Percy Shelley's *The Cenci*, and Lord Byron's *Sardanapalus*) and important plays by women dramatists (Hannah Cowley's *A Bold Stroke for a Husband*, Elizabeth Inchbald's *Every One Has His Fault*, and Joanna Baillie's *Orra*). It also provides a selection of popular theatrical genres—from melodrama and pantomime to

hippodrama and parody—most popular in the period, featuring plays by George Colman the Younger, Thomas John Dibdin, and Matthew Gregory Lewis. In short, this is the most wide-ranging and comprehensive anthology of Romantic drama ever published. The introduction by the editors provides an informative overview of the drama and stage practices of the Romantic Period. The anthology also provides copious supplementary materials, including an Appendix of reviews and contemporary essays on the theater, a Glossary of Actors and Actresses, and a guide to further reading. Each of the ten plays has been fully edited and annotated.

The Broadview Anthology of Victorian Short Stories beautifully demonstrates the astonishing variety and ingenuity of Victorian short stories. This collection brings together works focused on a wide range of popular Victorian subjects in many different styles and forms (including comic, gothic, fantasy, adventure, and colonial works; science fiction; children's tales; New Woman writing; Irish yarns; stories originally published in popular periodicals; and travel stories). Both well-known

and lesser-known authors are included, and both men and women are well represented. This anthology includes twenty-six annotated stories, a general introduction that discusses the history of the genre's development in relation to key socio-political issues of the Victorian era, and suggestions for secondary readings. It also includes an intriguing selection of Victorian writings on the genre by Edgar Allan Poe, Charles Dickens, Margaret Oliphant, Frederick Wedmore, and Laura Marholm Hansson.

The Broadview Anthology of Victorian Poetry and Poetic Theory: Concise Edition
Broadview Press

Songs of Innocence and of Experience is an collection of poems by William Blake. It appeared in two phases. A few first copies were printed and illuminated by William Blake himself in 1789; five years later he bound these poems with a set of new poems in a volume titled Songs of Innocence and of Experience Shewing the Two Contrary States of the Human Soul. William Blake was also a painter before the songs of innocence and experience and made paintings such as Oberon,

Titania, and Puck dancing with fairies. "Innocence" and "Experience" are definitions of consciousness that rethink Milton's existential-mythic states of "Paradise" and "Fall". Often, interpretations of this collection centre around a mythical dualism, where "Innocence" represents the "unfallen world" and "Experience" represents the "fallen world". Blake categorizes our modes of perception that tend to coordinate with a chronology that would become standard in Romanticism: childhood is a state of protected innocence rather than original sin, but not immune to the fallen world and its institutions. This world sometimes impinges on childhood itself, and in any event becomes known through "experience", a state of being marked by the loss of childhood vitality, by fear and inhibition, by social and political corruption, and by the manifold oppression of Church, State, and the ruling classes. The volume's "Contrary States" are sometimes signalled by patently repeated or contrasted titles: in Innocence, Infant Joy, in Experience, Infant

Sorrow; in Innocence, The Lamb, in Experience, The Fly and The Tyger. The stark simplicity of poems such as The Chimney Sweeper and The Little Black Boy display Blake's acute sensibility to the realities of poverty and exploitation that accompanied the "Dark Satanic Mills" of the Industrial Revolution. The Broadview Anthology of Seventeenth-Century Verse and Prose Broadview Press The publication of The Broadview Anthology of Seventeenth-Century Verse and Prose is a literary event; this comprehensive volume is the first anthology of the period to reflect the breadth of seventeenth-century studies in recent decades. Over one hundred writers are included, from John Chamberlain at the beginning of the century to Elisabeth Singer Rowe at its end. There are generous selections from the work of all major writers, and a representation of the work of virtually every writer of significance. The work of women writers figures prominently, with extensive selections not only from canonical writers such as Behn and Bradstreet, but also from

other writers (such as Katherine Philips and Margaret Cavendish) who have been receiving considerable scholarly attention in recent years. The anthology is broadly inclusive, with writing from America as well as from the British Isles. Memoirs, letters, political texts, travel writing, prophetic literature, street ballads, and pamphlet literature are all here, as is a full representation of the literary poetry and prose of the period, including the poetry of Jonson; the prose of Bacon; the metaphysical poetry of Donne, Herbert, Marvell, and others; the lyric verse of Herrick; and substantial selections from the poetry and prose of Milton and Dryden. (While Samson Agonistes is included in its entirety, Milton's epic poems have been excluded, in order to allow space for other works not so readily accessible elsewhere.) The editors have included complete works wherever possible. A headnote by the editors introduces each author, and each selection has been newly annotated. *The Broadview Anthology of Short Fiction - Third Edition* Broadview Press This selection of 45 stories, from Nathaniel

Hawthorne to Shaun Tan, shows the range of short fiction in the past 150 years. This third edition includes more works from the past 20 years and a greater representation of American authors; new to this edition are works by Katherine Anne Porter, Grace Paley, Donald Barthelme, Edward P. Jones, Gish Jen, and George Saunders, among others. Stories are organized chronologically, annotated, and prefaced by engaging short introductions. Also included is a glossary of basic critical terms.

Presenting a broad range of fully annotated selections from the long history of poetry in English, this anthology provides a rich and extensive resource for teaching traditional canons and forms as well as experimental and alternate trajectories (such as Language poetry and prose poetry). In addition to a chronological table of contents suited to a literary-historical course framework, the volume offers a list of conceptual and thematic teaching units called “Poems in Conversation.” Instructors will find the Conversations helpful for lesson plans; students will find them equally helpful as a resource for presentation and paper topics. Headnotes to each poet are designed to be useful to both instructors and students in the classroom: for instructors new to particular poets, the headnotes will provide helpful grounding in the most current scholarship; for students, they will provide frameworks and explanations to help them approach unfamiliar texts. As a unique feature in the current market, this anthology also

incorporates contemporary song lyrics from alternative, indie, rap, and hip-hop songs, fully integrated into the Conversations as rich material for teaching in the undergraduate classroom.

The Broadview Anthology of British Literature: Concise Volume B - Second Edition Columbia University Press

The Broadview Anthology of Sixteenth-Century Poetry and Prose makes available not only extensive selections from the works of canonical writers, but also substantial extracts from writers who have either been neglected in earlier anthologies or only relatively recently come to the attention of twentieth- and twenty-first-century scholars and teachers. Popular fiction and prose nonfiction are especially well represented, including selections from popular romances, merchant fiction, sensation pamphlets, sermons, and ballads. The texts are extensively annotated, with notes both explaining unfamiliar words and providing cultural and historical contexts.

The Broadview Anthology of British Literature, Volume 5: The Victorian

Era - Third Edition Broadview Press

Among the poets new to this edition are such leading names as Americans Robert Pinsky, Louise Erdrich and Louise Glück; Britons James Fenton and Carol Ann Duffy; and Canadians Anne Carson, Robert Bringhurst, and Christian Bök. A number of names who may be new to many readers of poetry are also included among them: Ohioan Debra Allbery, Vancouverite Elise Partridge, and the Cree poet Connie Fife; as with the first edition, the editors have endeavored to include much that is fresh as well as much that is familiar. There are many additions to the selections from poets who appeared in the first edition including selections from the recent work of Leonard Cohen, Les Murray, and Margaret Atwood. As before, the anthology includes work from English-language poets throughout the world from India, Africa, and the Caribbean as well as from Britain, North America, and Australia. Although the selections from the work of poets of earlier eras are largely unchanged from the first edition, there have been some changes; among

poems added for this edition are Milton's *L'Allegro* and *Il Penseroso*, Bradstreet's "Employment," Dickinson's "I cannot live without You," Frost's "Once by the Pacific," and Auden's "Funeral Blues." As before, the text emphasizes work of the past century; poems from 1900 or later take up more than half of the anthology's pages. In its first edition *The Broadview Anthology of Poetry* included biographical information about the poets at the back of the anthology; for the new edition, biographical material appears in a headnote to each poet. Two other features are also new to this edition: the date of first publication is appended after each

poem, and line numbering is used throughout. The numbers have been kept unobtrusive, however; as with the first edition, the designers have endeavored to give a clean look to the pages of the anthology. A substantial section on prosody, figures of speech, and so on is included as an appendix. *The Broadview Anthology of Poetry* Broadview Press The past generation has been an extraordinarily active one in medieval drama scholarship; our appreciation of the range of medieval drama has been significantly broadened, and our understanding of certain medieval genres—most notably, biblical drama—has been fundamentally altered. *The Broadview Anthology*

of British Literature has been widely praised for the degree to which it has taken this scholarship into account in its selection of and presentation of medieval plays. Now Broadview launches a new anthology that takes those plays as its base while expanding very substantially beyond them to represent the full range of drama in English (and, where strong connections exist, in French, Latin, Cornish, and Welsh as well) through to 1576. In all, over forty plays are included. Each work has been fully annotated and is prefaced by a substantial introduction. In many cases the language is to some extent modernized in order to make the plays more accessible to readers today.
