From the winner of the Nobel Prize in Literature, here is the universally acclaimed novel—winner of the Booker

Prize and the basis for an award-winning film. This is Kazuo Ishiguro's profoundly compelling portrait of Stevens, the perfect butler, and of his fading, insular world in post-World War II England. Stevens, at the end of three decades of service at Darlington Hall, spending a day on a country drive, embarks as well on a journey through the past in an effort to reassure himself that he has served humanity by serving the "great gentleman," Lord Darlington. But lurking in his memory are doubts about the true nature of Lord Darlington's "greatness," and much graver doubts about the nature of his own life.

The Spirituality of Anthony de Mello
Hogarth

This blistering novel—from the bestselling, Pulitzer Prize-winning author of *The Road*—returns to the Texas-Mexico border, setting of the famed Border Trilogy. The time is our own, when rustlers have given way to drug-runners and small towns have become free-fire zones. One day, a good old boy named Llewellyn Moss finds a pickup truck surrounded by a bodyguard of dead men. A load of heroin and two million dollars in cash are still in the back. When Moss takes the money, he sets off a chain reaction of catastrophic violence that not even the law—in the person of aging, disillusioned Sheriff Bell—can contain. As Moss tries to evade his pursuers—in particular a mysterious mastermind who flips coins for human lives—McCarthy simultaneously strips down the American crime novel and broadens its concerns to encompass themes as ancient as the Bible and as bloodily contemporary as this morning's headlines. *No Country for Old Men* is a triumph.

Speaker, writer, and producer Trey Anthony breaks it down, giving black women a relatable voice and personalized "keeping it real" to-do list on how to practice self-love and self-care. Therapy is not just for white women—no matter what your momma told you! After a lifetime of never truly relating to the personal development experts because of the color of her skin, Trey Anthony has written the book she

needed to read as a black woman trying to navigate a world filled with unique challenges that often acts like she doesn't exist. On the outside Trey Anthony was the overachieving, reliable, and strong black woman she was raised to be, but on the inside the pressure of sacrificing her own needs to please others was building. When her grandmother and mother raised her strong, they also unknowingly taught her that self-love and expressing emotions were weak, creating an unhealthy dynamic that had Trey facing burnout and rock bottom. In *Black Girl in Love (with Herself)*, Trey breaks down the lessons and tools that she used to heal her life, including how to:

- Set clear and healthy boundaries-even with the people who raised you
- Quit being the family ATM
- Sort out who is a real friend, and who is just there for parties and gossip
- Confront microaggressions at work without missing a beat
- Forget who black women are "supposed" to be

And fall in love with yourself!

The Way to Love Simon and Schuster Offers thirty-one meditations, each preceded by a Gospel quotation, providing insight on the ultimate question of love.

The Power Playbook Image

In his books *Awareness* and *The Way to Love*, among others, the internationally acclaimed spiritual guide Anthony de Mello presented an approach to spirituality that integrated the ancient traditions of the East with the psychological and philosophical perspectives of the West. Twenty years

after his death, de Mello's books continue to attract readers and his work remains a powerful influence on contemporary spiritual thought and practices. J. Francis Stroud, S.J., who helped de Mello with his hugely successful lectures, seminars, and books, has dedicated himself to keeping de Mello's teachings alive through the de Mello Spirituality Center at Fordham University. In *Praying Naked*, Father Stroud draws on his peerless understanding of de Mello's works to help readers keep their lives on track and navigate their own spiritual journeys. In clear, simple language, he explains how to master de Mello's approach to meditation and shows that meditating for even as little as three minutes a day can resolve the problems caused by difficult life conditions and guide us on the quest for spiritual happiness, self-discovery, and self-awareness.

From the New York Times bestselling author of *A Constellation of Vital Phenomena*—dazzling, poignant, and lyrical interwoven stories about family, sacrifice, the legacy of war, and the redemptive power of art. This stunning, exquisitely written collection introduces a cast of remarkable characters whose lives intersect in ways both life-affirming and heartbreaking. A 1930s Soviet censor painstakingly corrects offending photographs, deep underneath Leningrad, bewitched by the image of a disgraced prima ballerina. A chorus of women recount their stories and those of their grandmothers, former gulag prisoners who settled their Siberian mining town. Two pairs of brothers share a fierce, protective love. Young men across the former USSR face violence at home and in the military. And great sacrifices are made in the name of an oil landscape unremarkable except for the almost incomprehensibly peaceful past it depicts. In stunning prose, with rich character portraits and a sense of history reverberating into the present, *The Tsar of Love and Techno* is a captivating work from one of our greatest new talents.
