*Remedies for International
Sellers of Goods [2009] -
III* SUNY Press

A Justice Hustlers Novel
Two gorgeous sisters.
Only one plays by the
rules. But now they'll
have to put their
differences—and their
lives—on the line, to help
the exploited. Sisters from
Trinidad, Violet and Lily
have never had much in
common. Stunning Lily
arrives undocumented in
New York and makes her
way as a stripper. But
Harvard-educated Violet
is this close to the perfect
assimilated life, thanks to
a prestigious job, and her
rich bougie fiancé. . . .
Until she aids a woman in
trouble, and is mistaken
for a notorious strip-club
mogul's mistress. And
when she's wrongly

accused of helping him
embezzle millions of his
workers' earnings, Violet
loses everything—except
the determination to get
her life back. Now Violet's
on his track with the help
of his vengeful ex-wife
and the Lower East Side
Women's Health Clinic's
resourceful crew—which
includes Lily. But a
dashing longtime friend
hungering for Violet's
love, along with the
mogul's all-too-real
psychotic mistress, put
the group's killer schemes
at risk. And as Violet and
Lily struggle to finally
understand each other,
they have only one shot
to get justice for those
who need it most. "This
well-written and enjoyable
installment in de León's
unique, feminist, urban
crime-fiction series . . .
infuses satisfying power in
both plot and character."

Reconciling Modernity
challenges the academic
consensus of a simplistic
Church-State
reconciliation in
postrevolutionary Mexico
and reveals instead a
cultural power struggle
between entrenched elite
factions, each intending
to define Mexico's
national identity. Using
documents found in
regional archives, Daniel
Newcomer provides a new
interpretation of how
radically opposed
conservative and
revolutionary elites came
to a political *dätente* in
the traditional Catholic
stronghold of León,
Guanajuato, during the

1940s. León's conservatives sought to limit the influence of the revolutionary government because state-sponsored modernization projects threatened local character and institutions. Tensions regarding the extent of state power culminated in the 1946 León massacre, during which government troops gunned down more than two dozen citizens. As the defining moment in local history, the violent confrontation helped solidify a new elite consensus, or an "official story," that hinged on negotiated tenets of modernity—particularly ideals of industrialization and democracy—and supposedly validated state power among the general population. Newcomer argues that advocates of the revolutionary state and their local opposition, including the pro-Catholic Sinarquistas, attempted to create "hegemonic appearances" to legitimate their claims to political power but ultimately relied on a rationalization of the use of state violence to enforce the social order they idealized. *Reconciling Modernity* concludes that the postrevolutionary government proved

unable to legitimize its rule among the popular classes and reveals how history written by the victors can obscure the processes of historical change.

A Text on Philippine Legal Bibliography, Philippine Legal History, Philippine Legal System, Legal Philosophy, Methods of Legal Research Goodwill Trading Co., Inc.

This publication contains the proceedings of an international conference, held in Guatemala in October 2001, with participants from law schools, judges, practitioners and government officials from a number of Latin American countries and elsewhere. The conference theme focused on the links between judicial excellence, judicial reform and good practices in the performance of judicial education programmes. Topics considered include: the concept of judicial excellence, ethics and the role of human rights training, e-learning and distance education, in-service training and evaluation, the role of education in promoting judicial reform and attitudinal change in the courts system.

Rowman & Littlefield
The United States Constitution is the oldest written constitution in the world. But what were its origins? Is it a "living" organism or, as the only alternative, a dead one? What influence, if any, has the U.S. Constitution had on Asian countries? Twenty scholars from around the world set out to pose answers to these

questions. The result of their efforts is this book which looks at the U.S. Constitution from a global perspective. At times reinforcing existing knowledge, at times breaking new ground, the authors provide new insights into the role the U.S. Constitution has played in the development of governments in the two hundred years since its inception in 1787.

 Business Law I Essentials is a brief introductory textbook designed to meet the scope and sequence requirements of courses on Business Law or the Legal Environment of Business. The concepts are presented in a streamlined manner, and cover the key concepts necessary to establish a strong foundation in the subject. The textbook follows a traditional approach to the study of business law. Each chapter contains learning objectives, explanatory narrative and concepts, references for further reading, and end-of-chapter questions.
 Business Law I Essentials may need to be supplemented with additional content, cases,

or related materials, and is offered as a foundational resource that focuses on the baseline concepts, issues, and approaches.

In Members Only
 Diana Kendall shows how the upper classes use exclusive clubs as their private domain for conducting business, fostering social networks, and launching the next generation of elites - all beyond the view of outsiders and the media. In her research, Kendall explains how and why club members routinely engage in exclusionary practices that help them accumulate personal power and social capital that is unavailable to outsiders. Members Only addresses how exclusive private clubs maintain and perpetuate class-based privilege and racial/ethnic and religious segregation, and how such patterns of social exclusion heighten social inequality. This book continues Kendall's study of the upper classes, which began with *The Power of Good Deeds*, and

Framing Class.

Text and Cases Oxford University Press, USA
French realism's immortal siren crawled from the gutter to the heights of society, devouring men and squandering fortunes along the way. Zola's 1880s classic is among the first modern novels.

The Law on Insurance and Sales

In this volume of 15 articles, contributors from a wide range of disciplines present their analyses of Disney movies and Disney music, which are mainstays of popular culture. The power of the Disney brand has heightened the need for academics to question whether Disney's films and music function as a tool of the Western elite that shapes the views of those less empowered.

Given its global reach, how the Walt Disney Company handles the role of race, gender, and sexuality in social structural inequality merits serious reflection according to a number of the articles in the volume. On the other hand, other authors argue that Disney productions can help individuals cope with difficult situations or embrace progressive thinking. The different approaches to the assessment of Disney films as cultural artifacts also vary according to the theoretical perspectives guiding the interpretation of both overt and latent symbolic meaning in the movies. The authors of the 15 articles encourage readers to engage with the material, showcasing a variety of views about the good, the bad, and the best way forward.

The Alcalde

Examines democracy in the Philippines using the political thought of Jürgen Habermas. This book is a pioneering study of Philippine democracy, one of the oldest in the Asian region, vis-à-vis Habermasian critical theory. Proceeding from a concise examination of the theory of law and democracy found in Habermas's *Between*

Facts and Norms, Ranilo Balaguer Hermida explains how the law occupies the central role in both the legitimation of political power and the attainment of social integration. He then discusses how Habermas proposes to resolve the tension that exists in modern society between democratic norms and social facts, through the adoption of a lawmaking procedure whereby the informal sources of issues and opinions from the public sphere are allowed to develop and interact with the formal deliberations and decision processes inside the political system. He also explores certain provisions of the present Philippine Constitution that were expressly intended to restore democratic institutions and processes destroyed by decades of martial law, as well as the problems and hindrances that stand in the way of their full implementation. "Imagining Modern Democracy presents a clear and convincing application of philosophical theory to practical politics. Hermida, using Habermas's theoretical

reflections on law and democracy, provides a basis for understanding democratic practice in the Philippines. The book is essential reading for those interested in both Habermas's work and its implications for emerging constitutional democracies." — David M. Rasmussen, Editor-in-Chief, *Philosophy and Social Criticism*
Philippine Governance and the 1987 Constitution
 Includes entries for maps and atlases.
The Alcalde
 The thirty-second edition of the Comparative Law Yearbook of International Business comprises two volumes, each dealing broadly with issues relating to cross-border and mergers and acquisitions. Volume A provides 16 chapters and examines mergers and acquisitions in Europe. Volume B provides 16 chapters and treats mergers and acquisitions in North America, Latin America, and Asia and the Pacific. Each consists of national reports and treatments of selected issues within the respective regions. Volume B, Mergers and Acquisitions in North America, Latin America, Asia and the Pacific,

Selected Issues and Jurisdictions, reviews the Australian Takeovers Panel, joint ventures in China, and employment issues in New Zealand, as well as national reports on Brazil, Canada, Chile, China, Colombia, India, Indonesia, Israel, Japan, Nigeria, The Philippines, Sri Lanka, and Trinidad and Tobago.

The Psychosocial Implications of Disney Movies
