"Nineteen Eighty-Four" revealed George Orwell as one of the twentieth century's greatest mythmakers. While the totalitarian system that provoked him into writing it has since passed into oblivion, his harrowing cautionary tale of a man trapped in a political nightmare has had the opposite fate: its relevance and power to disturb our complacency seem to grow decade by decade. In Winston Smith's desperate struggle to free himself from an all-encompassing, malevolent state, Orwell zeroed in on tendencies apparent in every modern society, and made vivid the universal predicament of the individual.

Orwell's Nineteen Eighty-four W. W. Norton & Company

Orwell is most well-known for his two famous books *Nineteen Eighty Four* and *Animal Farm*, but their dystopian vision was informed by observations of poverty in England (Down and Out in Paris' and London and Road to Wigan Pier), and disillusion with political and national events of the 1930s and 1940s. Homage to Catalonia chronicled his experience of the Spanish Civil War and formulated his revulsion against totalitarianism, highlighted in his subsequent novels. The new collection (with Professor Richard Bradford's new introduction, and a foreword by Whitbread Prize winner D.J. Taylor) brings together his celebrated novels and seminal non-fiction, with work that influenced him by Jack London, who also explored poverty and totalitarian in *The Iron Heel* (fiction) *The People of the Abyss* (non-fiction), and the Russian dissident Yevgeny Zamyatin whose own work *We* (1921) offers a strong warning about a dystopian police state. A new addition to the *Flame Tree* deluxe Gothic Fantasy series on classic and modern writers, exploring origins and cultural themes in myth, fable and speculative fiction. The *Flame Tree Gothic Fantasy, Classic Stories and Epic Tales* collections bring together the entire range of myth, folklore and modern short fiction. Highlighting the roots of suspense, supernatural, science fiction and mystery stories, the books in *Flame Tree Collections* series are beautifully presented, perfect as a gift and offer a lifetime of reading pleasure.

Nineteen Eighty Four Biblioasis

Among the seminal texts of the 20th century, *Nineteen Eighty-Four* is a rare work that grows more haunting as its futuristic purgatory becomes more real. Published in 1949, the book offers political satirist George Orwell's nightmare vision of a totalitarian, bureaucratic world and one poor stiff's attempt to find individuality. The brilliance of the novel is Orwell's prescience of modern life--the ubiquity of television, the distortion of the language--and his ability to construct such a thorough version of hell. Required reading for students since it was published, it ranks among the most terrifying novels ever written. --Amazon.com.

Summary of 1984 Perfection Learning

Animal Farm is George Orwell's brilliant political satire and allegorical fable about the corrupting effects of power. Published in 1945 it is, to this day, one of the most famous and influential works of fiction ever written. Part of the Macmillan Collector's Library; a series of stunning, clothbound, pocket-sized classics with gold foiled edges and ribbon markers. These beautiful books make perfect gifts or a treat for any book lover. This edition features an introduction by journalist and writer Jason Cowley. When the old Major, a highly respected white boar, gathers his fellow farm animals to preach about freedom, rebellion and the evils of man, he incites a revolution that has been brewing for years. The animals drive out their drunken farmer, Mr Jones and create their own society which promises equality for all. Two scheming pigs, Napoleon and Snowball, appoint themselves leaders and what begins as a supposedly equalitarian community descends into an increasingly violent and hierarchical society permeated by lies and corruption.

A Gathering of Old Men Birlinn Ltd

This stimulating *Very Short Introduction* to music invites us to really think about music and the values and qualities we ascribe to it. The world teems with different kinds of music-traditional, folk, classical, jazz, rock, pop-and each type of music tends to come with its own way of thinking. Drawing on a wealth of accessible examples ranging from Beethoven to Chinese zither music, Nicholas Cook attempts to provide a framework for thinking about all music. By examining the personal, social, and cultural values that music embodies, the book reveals the shortcomings of traditional conceptions of music, and sketches a more inclusive approach emphasizing the role of performers and listeners. ABOUT THE SERIES: The *Very Short Introductions* series from Oxford University Press contains hundreds of titles in almost every subject area. These pocket-sized books are the perfect way to get ahead in a new subject quickly. Our expert authors combine facts, analysis, perspective, new ideas, and enthusiasm to make interesting and challenging topics highly readable.

The Citadel It stands unconquered, the last great summit of the Alps. Only one man has ever dared to approach the top, and that man died in his pursuit. He was Josef Matt, Rudi Matt's father. At sixteen, Rudi is determined to pay tribute to the man he never knew, and complete the quest that claimed his father's life. And so, taking his father's red shirt as a flag, he heads off to face the earth's most challenging peak. But before Rudi can reach the top, he must pass through the forbidden Fortress, the gaping chasm in the high reaches of teh Citadel where his father met his end. Rudi has followed Josef's footsteps as far as they will take him. Now he must search deep within himself to find the strength for the final ascent to the summit -- to plant his banner in the sky. His father died while trying to climb Switzerland's greatest mountain -- the Citadel -- and young Rudi knows he must make the assault himself.
