Ash la historia secreta

ALFAGUARA

Incluye las novelas: Ash la historia secreta (9788490186107), Cartago triunfante (9788490186114), Las máquinas salvajes

(9788490184684) y Borgia perdida (9788490185322). Escritta Por El Padre Pedro de Ribadeneyra, de la Compañia de Iesvs. Dirigida al Principe de España Don Felipe nuestro Señor John Wiley & Sons

A cheeky, sophisticated, and strikingly illustrated guide that leaves generic English reference books in the dust When prominent Barcelona-based illustrator Luci Gutiérrez

found herself tuning out in English class, she used her love of drawing to help retain what she'd learned. Ditching the kind of bland and useless phrases that fill most English textbooks, Gutiérrez uses whimsical characters, cheeky dialogue, and even insults to bring vocabulary, grammar, and usage topics to life. Nearly forty-seven million people in the United States speak a language other than

English at home, and even most native speakers struggle with subtle distinctions, such as when to use “whether” as opposed to “if.” (For example: I wonder whether I should have added a little more poison to his tea.) Already published to wide acclaim abroad, *English Is Not Easy* is sure to delight grammar mavens and students of English in America.

Breve historia de este puto mundo Malpaso Ediciones SL

Este relato cuenta la historia de un club gastronómico y cultural que se convierte poco a poco en una sociedad casi secreta: el club de los cinco. Este club, con sede en el centro de Madrid, y cuyas reglas no escritas contienen la estricta confidencialidad de sus actividades, se dedica a investigar los casos complejos de un abogado matrimonialista y de un detective privado de larga trayectoria profesional. Menos mal que los otros miembros del club: una médica genetista y forense, un empresario con tanto dinero y tiempo sobrante que no sabe en qué gastar ambos, y un trotamundos con gran experiencia vital e hijas

de varias madres les prestan ayuda teórica, sentimental y desde luego práctica. Entre las bambalinas del reducido club, un joven hacker excelente con varias carreras científicas inconclusas, les asesora, mostrándoles la fragilidad actual de la privacidad. En esta primera entrega de la saga, la principal tarea de tan insólito club es descubrir dónde está un niño y por qué que desaparece de un colegio de élite. La policía con desprecio cataloga la desaparición de secuestro parental, pero no lo resuelve. Puede ser que no, o que sí, ya se verá. Un inesperado actor, tan conspicuo como inspirado presta una ayuda inigualable para resolver el dilema, y por eso se le nombra medio miembro del club. El relato, de cierta morosidad, está trenzado con un lenguaje literario y contiene dosis de suspense de ironía a partes iguales y distintas, es un decir.

DEBOLS!LLO

The basis for the new Amazon Prime Original Series! Perfect for fans of E.T. and Stranger Things—the first narrative artbook from acclaimed author and artist Simon Stålenhag about a

fictionalized suburban town in the 1980s inhabited by fantastic machines and strange, imaginative beasts. In 1954, the Swedish government ordered the construction of the world’s largest particle accelerator. The facility was complete in 1969, located deep below the pastoral countryside of Mälaröarna. The local population called this marvel of technology The Loop. These are its strange tales. From the same author who wrote the imaginative artbook *The Electric State*, this “haunting,” (The Verge) “sophisticated sci-fi” (The Nerdist) follows the bizarre stories from otherworldly creatures and is a page-turner you won’t be able to put down.

A Novel Simon and Schuster

León, Nicaragua, 1907.

During a tribute he delivers during his triumphal return to his native city, Rubén Darío writes on the fan of a little girl one of his most famous poems, “Margarita, How Beautiful the Sea.” In 1956 in a cafe in León, a group of literati gather, dedicated, among other things, to the rigorous reconstruction of the legend surrounding

Darío—but also to conspire. There will be an attempt against dictator Somoza's life, and that little girl with the fan a half-century before will not be a disinterested party. In *Margarita, How Beautiful the Sea*, Sergio Ramírez encompasses, in a complete metaphor of reality and legend, the entire history of his country. The narrative moves along paths fifty years apart, which inevitably converge. The story becomes a fascinating exercise on the power of memory, on the influence of the past, fictitious or not, in the finality of reality. *Doce historias auténticas de enamorados famosos* AGUILAR

Viagra, chat y otras pendejadas AGUILAR
INSTANT NEW YORK TIMES BESTSELLER “If you’re a fan like I am this is definitely the book for you.” —Pete Davidson, actor, producer, and cast member on Saturday Night Live “Danny’s incredible life story shows that even though we may fall down at some point in our lives, it’s what we do when we stand back up that really counts.” —Robert Rodriguez, creator of *Spy Kids*, *Desperado*, and *Machete* Discover the full, fascinating, and inspirational true story of Danny Trejo’s journey from crime, prison, addiction, and loss—it’s

“enough to make you believe in the possibility of a Hollywood ending” (The New York Times Book Review). On screen, Danny Trejo the actor is a baddie who has been killed at least a hundred times. He’s been shot, stabbed, hanged, chopped up, squished by an elevator, and once, was even melted into a bloody goo. Off screen, he’s a hero beloved by recovery communities and obsessed fans alike. But the real Danny Trejo is much more complicated than the legend. Raised in an abusive home, Danny struggled with heroin addiction and stints in some of the country’s most notorious state prisons—including San Quentin and Folsom—from an early age, before starring in such modern classics as *Heat*, *From Dusk till Dawn*, and *Machete*. Now, in this funny, painful, and suspenseful memoir, Danny takes us through the incredible ups and downs of his life, including meeting one of the world’s most notorious serial killers in prison and working with legends like Charles Bronson and Robert De Niro. An honest, unflinching, and “inspirational study in the definition of character”

(Kevin Smith, director and actor), Trejo reveals how he managed the horrors of prison, rebuilt himself after finding sobriety and spirituality in solitary confinement, and draws inspiration from the adrenaline-fueled robbing heists of his past for the film roles that made him a household name. He also shares the painful contradictions in his personal life. Although he speaks everywhere from prison yards to NPR about his past to inspire countless others on their own road to recovery and redemption, he struggles to help his children with their personal battles with addiction, and to build relationships that last. Redemptive and painful, poignant and real, Trejo is a portrait of a magnificent life and an unforgettable and exceptional journey. [Las más raras historias de amor de este puto mundo](#)
Franklin Classics Trade Press

Esta es la lista de locos lindos adorables que hicieron historia en actividades propias de su oficio Alrededor de ellos revolotean decenas de personajes y escenarios: el rey Luis XIV, Humboldt, el tenebroso Doctor Francia, Lord Byron, Verdi, Rufino José Cuervo, Búfalo Bill, el cacique Toro

Sentado, Pancho Villa, Ernest Hemingway, figuras del partido Nazi alemán, artistas de Hollywood, la selva amazónica, la II Guerra Mundial, la guerra civil española, los chibchas, la reina Victoria, el rey Pelé y el Junior de Barranquilla. *Una cacería de columnas periodísticas* Simon and Schuster

"Since they shot her at point-blank range while she was being kissed, she confused the pain of love with that of death." Rosario Tijeras is the violent, violated character at the center of Jorge Franco's study of contrasts, set in self-destructing 1980s Medellín. Her very name-evoking the rosary, and scissors-bespeaks her conflict as a woman who becomes a contract killer to insulate herself from the random violence of the streets. Then she is shot, gravely wounded, and the circle of contradiction is closed. From the corridors of the hospital where Rosario is fighting for her life, Antonio, the narrator, waits to learn if she will recover. Through him, we reconstruct the friendship between the two, her love story with Emilio, and her life as a hitwoman. Rosario Tijeras has been

recognized as an admirable continuation of a literary subject that was first treated by Gabriel García Márquez and then by Fernando Vallejo. A work in the Latin American social realist tradition, Rosario Tijeras is told in fast and vibrant prose and with poetic flourish.

Margarita, how Beautiful the Sea W W Norton & Company Incorporated

Nazi Wives is a fascinating look at the personal lives, psychological profiles, and marriages of the wives of officers in Hitler's inner circle. Goering, Goebbels, Himmler, Heydrich, Hess, Bormann—names synonymous with power and influence in the Third Reich. Perhaps less familiar are Carin, Emmy, Magda, Margaret, Lina, Ilse and Gerda... These are the women behind the infamous men—complex individuals with distinctive personalities who were captivated by Hitler and whose everyday lives were governed by Nazi ideology. Throughout the rise and fall of Nazism these women loved and lost, raised families and quarreled with their husbands and each other, all the while jostling for position with the Fuhrer himself. Until now, they

have been treated as minor characters, their significance ignored, as if they were unaware of their husbands' murderous acts, despite the evidence that was all around them: the stolen art on their walls, the slave labor in their homes, and the produce grown in concentration camps on their tables. James Wyllie's *Nazi Wives* explores these women in detail for the first time, skillfully interweaving their stories through years of struggle, power, decline and destruction into the post-war twilight of denial and delusion. *Historia de Los Indios de la Nueva España: Crónica a Medios del Siglo XVI* DEBOLSILLO
Skin is the border of our body and, as such, it is that through which we relate to others but also what separates us from them. Through skin, we speak: when we display it, when we tan it, when we tattoo it, or when we mute it by covering it with clothes. Skin exhibits social relationships, displays power and the effects of power, explains many things about who we are, how others perceive us and how we exist in the world. And when it gets sick, it turns us into monsters. In *Skin*,

Sergio del Molino speaks of these monsters in history and literature, whose lives have been tormented by bad skin: Stalin secretly taking a bath in his dacha, Pablo Escobar getting up late and shutting himself in the shower, Cyndi Lauper performing a commercial for a medicine promising relief from skin disease, John Updike sunburned in the Caribbean, Nabokov writing to his wife from exile, 'Everything would be fine, if it weren't for the damned skin.' As a psoriasis sufferer, Sergio del Molino includes himself in this gallery of monsters through whose stories he delves into the mysteries of skin. What is for some a badge of pride and for others a source of anguish and shame, skin speaks of us and for us when we don't speak with words. *Energize Your Career and Life by Taking a Break* Seven Stories Press
Las mejores historias de amor contadas por Daniel Samper Pizano e ilustradas por Matador. ¿Existe una fuerza más dominante que el poder, el dinero, la religión y la libertad? Sí: el amor# sobre todo adobado con el sexo. La Historia se encarga de demostrarlo con ejemplos de

enamoramientos insólitos, y a veces múltiples, que han sostenido o derrumbado imperios, hecho felices o infelices a muchas personas y desatado o esclavizado la capacidad creativa de cientos de artistas. Este libro ofrece doce historias genuinas de amores potentes e insólitos que son, al mismo tiempo, fascinantes aventuras sentimentales. Entre ellas: *Lucrecia Borgia, la hija del Papa Alejandro VI, se casó varias veces pero su verdadero amor secreto fue un cardenal y poeta. *Karl Marx, padre del comunismo, tuvo un matrimonio feliz con la aristócrata Jenny de Westfalia# y un hijo con la niñera. *Madame Curie, genial científica polaca, se enamoró perdidamente, ya viuda y madura, de un profesor casado y menor que ella. *Sir Winston Churchill y Clementine Hozier formaron unapareja sólida, rara y feliz que resultó clave para vencer a Hitler en la Segunda Guerra Mundial. *El sabio Caldas padeció dudas sexuales y se casó con Manuela Barahona, una joven de Popayán que no conocía y que luego se liberó. *El nobel de literatura Albert Camus mantuvo hasta su muerte intensos amores con una

gran actriz española. Su esposa lo sabía. *Tres poderosas mujeres, dos de ellas emperatrices, cambiaron la historia de China y del mundo. La tercera fue la siniestra esposa de Mao Zedong.

English Is Not Easy
Editorial Catalonia
Daniel Samper Pizano cuenta en este libro la peripecia, rigurosamente inédita, del blanco adminículo de porcelana que hoy las gentes admiran en las exposiciones de los restos del trasatlántico. El 10 de abril de 1912 zarpó del puerto de Southampton el buque más grande que había conocido la humanidad, el Titanic. Cuatro días después naufragó en las aguas yertas del Atlántico. Se llevó consigo a 1.500 personas, joyas por varios millones de dólares, cuantiosa carga, vajillas, muebles y un centenar de bacinillas, también llamadas en español beques, bacines, orinales o, más científicamente, micas. Cuando ya la historia se había olvidado de ellas, un sofisticado equipo submarino rescató en 1985 miles de objetos del fondo del mar. Allí apareció, oronda, invicta, intacta, la mica del Titanic.

The Book of Embraces

AGUILAR
NPR Best Books of 2018 A teen girl and her robot embark on a cross-country mission in this illustrated science fiction story, perfect for fans of Ready Player One and Black Mirror. In late 1997, a runaway teenager and her small yellow toy robot travel west through a strange American landscape where the ruins of gigantic battle drones litter the countryside, along with the discarded trash of a high-tech consumerist society addicted to a virtual-reality system. As they approach the edge of the continent, the world outside the car window seems to unravel at an ever faster pace, as if somewhere beyond the horizon, the hollow core of civilization has finally caved in.

A Story of Pirates that Will Catch the Reader
Headline
More Americans are choosing to take time off

from work to relax or re-examine their priorities, so they can return to work energized. Some companies offer formal sabbatical programs, but how can the average person take time off to evaluate their direction, explore their passions, and make time for the things that are really important? Whether you're disillusioned with your career, yearning to follow a dream, or taking time out after a layoff, now is the time to step back and reboot. This book will show you how you can give yourself the best gift ever—the gift of time. People who take sabbaticals report feeling happier, and they return to their jobs refreshed, reinvigorated, and ready to tackle new challenges. Reboot Your Life draws upon the experiences of the four authors and their interview subjects: 200 people who have taken sabbaticals and 150 organizations offering sabbatical programs. The book includes real-life stories and exercises to help the reader figure out how to plan for and take a sabbatical, or how to use unexpected time off.
Colombia a Comedy of Errors Bantam
Migrantes a merced de traficantes, salones

futuristas donde se anuncian seductores avances en alambradas, malvados que se aprovechan de la miseria y fragilidad de los más desvalidos: Matei Visniec en esta obra nos muestra con toda su crudeza el drama actual de la inmigración, recrudescido por el de los refugiados. Magia teatral que conmueve, disfrute para la imaginación y el pensamiento que, una vez acabada la obra, nos dejan una profunda amargura. Y tal vez, el deseo de hacer algo. Con su genio dramático, que nos lleva de lo grotesco a lo terrible, de lo irónico a lo poético, de lo real a lo fantástico, Matei Visniec, maestro del humor negro, nos hace hasta esbozar una sonrisa, una sonrisa muy amarga, ante la catástrofe humanitaria que nos presenta en esta obra hecha de cuadros dramáticos donde se alternan diferentes líneas argumentales.

Death Beat Harpercollins 'Absolutely hilarious' - Neil Gaiman 'One of the funniest musical commentators that you will ever read . . . loud and thoroughly engrossing' - Alan Moore 'A man on a righteous mission to persuade people to "lay down your

souls to the gods rock and roll".' - The Sunday Times 'As funny and preposterous as this mighty music deserve' - John Higgs The history of heavy metal brings us extraordinary stories of larger-than-life characters living to excess, from the household names of Ozzy Osbourne, Lemmy, Bruce Dickinson and Metallica (SIT DOWN, LARS!), to the brutal notoriety of the underground Norwegian black metal scene and the New Wave Of British Heavy Metal. It is the story of a worldwide network of rabid fans escaping everyday mundanity through music, of cut-throat corporate arseholes ripping off those fans and the bands they worship to line their pockets. The expansive pantheon of heavy metal musicians includes junkies, Satanists and murderers, born-again Christians and teetotallers, stadium-touring billionaires and toilet-circuit journeymen. Award-winning comedian and life-long heavy metal obsessive Andrew O'Neill has performed his History of Heavy Metal comedy show to a huge range of audiences, from the teenage metalheads of Download festival to the broadsheet-reading

theatre-goers of the Edinburgh Fringe. Now, in his first book, he takes us on his own very personal and hilarious journey through the history of the music, the subculture, and the characters who shaped this most misunderstood genre of music.

DEBOLS!LLO

El chat, los celulares, el viagra y todas las pendejadas de inicios del siglo XXI con el humor inconfundible de Daniel Samper Pizano. Tres décadas después de haber publicado su primer libro de humor, Daniel Samper Pizano sigue siendo uno de los escritores más leídos del país y el crítico más lúcido de la realidad colombiana. Sus armas son un ojo de lince que le permite descubrir cosas que los demás no ven y un finísimo sentido del humor para contarlas. Durante el cuarto final del siglo xx, Samper dejó su testimonio risueño sobre las costumbres y sucesos de una agitada época. Ahora, con igual agudeza, habla sobre el siglo xxi, sus maravillas y sus pendejadas: o El Viagra y el lenguaje de internet# o Los celulares y la celulitis# o Las nuevas

bodas y las parejas gays#
o Los profesores
despiadados y cómo
burlarlos# o La revolución
tecnológica en la cocina y
en la alcoba# o Los
consejos para ser más
bello y para tener menos
vello# o Y, como siempre,
las divertidas historias de
su peculiar familia. La

crítica ha dicho:
"Profundamente alegre,
como un viejo filósofo,
Daniel Samper aporta su
punto de vista sobre las
esencias de la vida". Joan
Manuel Serrat "Los textos
humorísticos de Samper
serán el único manual de
