**CogAT Practice Test (grade 2)** Gifted & Talented NNAT Test Prep Team  
Critical Thinking for Grade 2 and 3 provides a range of problems that can get your student to think and improve their critical thinking skills, logic, figurative analysis and visual skills. The problems enable kids to develop superior critical thinking in various dimensions like size, shapes, shading and placement of objects. Students can learn to think, analyze relationships between various objects, patterns and help them advance their critical thinking skills. This book is a great resource to prepare for various Gifted and Talented Education testing programs like CogAT(R), OLSAT and NNAT and will help them sharpen their skills along the way.
