Dreaming is a time when God has our
undivided attention, and He can speak to
us, without us talking back or busying
ourselves with something else that
drowns out His voice. He uses dreams to
tell us things about our purpose, prayers,
character, and even hidden sin. An
incredible amount of information is
available to us in dreams if we will tap in
to them and get understanding. As part
of the "Dreams Revealed" series, the
handbook for biblical dream
interpretation provides the basic tools

and information to get dreamers started understanding dreams. The book contains the scientific and spiritual basics of dreaming, an explanation of what to do with dreams, instructions for how to interpret dreams, and a dream symbol dictionary to explain the spiritual meanings behind words.

How do I know it's God? is one of the most commonly asked questions of new and mature Christians alike, and the aim of *God Conversations* is to both equip and inspire the reader and show them that hearing the voice of the Spirit is accessible to everyone who chooses to follow Jesus. Most Christians know that God speaks, yet struggle with how to recognise his voice in their everyday

lives. What does God's voice sound like? How do we know if what we're hearing is from God? Stories of God talking to his people abound throughout the Bible, but we usually only get the highlights. We read; "And God said to Joseph; 'Go to Egypt'," and then; "Mary and Joseph left for Egypt." We don't get a blow-by-blow description of how God spoke. We don't receive a detailed explanation of how they knew it was God, and we don't get to see what was going on inside their heads as they acted on what they'd heard. In *God Conversations*, international speaker and pastor Tania Harris shares insights from her own journey about hearing God's voice. You'll get to eavesdrop on some contemporary conversations with God in the light of his communication with the ancient

characters of the Bible. Part memoir, part teaching, this unique and creative collection of stories will help you to recognise God's voice when he speaks and how to respond when you do.

Interpreting Dreams - An Introduction - Why we dream, the meaning of dreams and understanding the symbolism of dream Dreams have a high significance throughout many cultures which has not been lost over time. But why are dreams so fascinating? Every night we dream for about 1.5 hours. During that time there is a fascinating interaction between our physical and mental processes which allows us to look into our mind and subconscious. Our heartrate can increase and we produce hormones. Scientists have not yet been able to tap

into these processes so they have to rely on the memory report: the dream. Interpreting our dreams is not an attempt to predict the future but is much more about understanding our subconscious processes and problems. Would it not be wonderful if interpreting your dreams could help you to understand yourself better? This handbook will not only help to give you the background knowledge you need but it will also explain why we dream and how to interpret your dream symbols. About the author of this book, Evelyn Schneider-Mark: During her studies to be a Naturopath and the subsequent study of psychology, over 30 years ago, she has been interested in marginal medical, psychological, spiritual and esoteric subjects, which are often hidden from

the main stream, but which are scientifically well accepted. She teaches this knowledge, not only to her students, but also reaches a wider audience in Germany with her various publications. In her books, she writes about subjects, the positive effects of which are widely unknown and on which she can pass on her own experiences. All of her publications are based on indisputable scientific facts, while also encompassing her own very personal experiences and knowledge.  On June 5th, 1968, at L.A.'s Ambassador Hotel, Robert F. Kennedy celebrated his victory in the California Democratic primary with a rousing victory speech anticipating a successful run for the presidency. Moments later, gunshots shattered that dream: like his brother before him, Bobby Kennedy lay mortally wounded at the hand of an assassin. The

police quickly apprehended Sirhan Sirhan, who the world believed had single-handedly masterminded the shooting. Shockingly, that may not be so, as documentary filmmaker Shane O' Sullivan presents powerful new evidence to the contrary...
