\* INSTANT #1 NEW YORK TIMES BESTSELLER \* #1 WALL STREET JOURNAL BESTSELLER \* “A rollicking, foil-mouthed” [memoir]....Boehner has delivered a classic Washington “tell-all,” albeit one with his typical jocular style.” --The Washington Post Former Speaker of the House John Boehner shares colorful tales from the halls of power, the smoke-filled rooms around the halls of power, and his fabled tour bus. John Boehner is the last of a breed. At a time when the arbiters of American culture were obsessing over organic kale, cold-pressed juice, and SoulCycle, the man who stood second in line to the presidency was unapologetically smoking Camels, quaffing a glass of red, and hitting the golf course whenever he could. There could hardly have been a more diametrically opposed figure to represent the opposition party in President Barack Obama's Washington. But when Boehner announced his resignation, President Obama called to tell the outgoing Speaker that he'd miss him. "Mr. President," Boehner replied, "yes you will." He thought of himself as a "regular guy with a big job," and he enjoyed it. In addition to his own stories of life in the swamp city and of his comeback after getting knocked off the leadership ladder, Boehner offers his impressions of leaders he's met and what made them successes or failures, from Ford and Reagan to Obama, Trump, and Biden. He shares his views on how the Republican Party has become unrecognizable today; the advice--some harsh, some fatherly--he dished out to members of his own party, the opposition, the media, and others; and his often acid-tongued comments about his former colleagues. And of course he talks about golfing with five presidents. Through Speaker Boehner's honest and self-aware reflections, you'll be reminded of a time when the adults were firmly in charge.

Two award-winning modern classics from #1 New York Times bestselling author Markus Zusak! The Book Thief affirms the ability of books to feed the soul even in the bleakest of times in a story the New York Times described as “brilliant. . . . the kind of book that can be life-changing.” It is 1939. Nazi Germany. Death has never been busier, and will become busier still. Liesel Meminger is a foster girl living outside of Munich, who scratches out a meager existence for herself by stealing when she encounters something she can’t resist--books. With the help of her accordion-playing foster father, she learns to read and shares her stolen books with her neighbors during bombing raids as well as with the Jewish man hidden in her basement. I Am the Messenger is a Printz Honor-winning novel and recipient of five starred reviews that tells the story of Ed Kennedy, an underage cabdriver without much of a future. His life is one of peaceful routine and incompetence until he inadvertently stops a bank robbery. That's when the first ace arrives in the mail. That's when Ed becomes the messenger. Chosen to care, he makes his way through town helping and hurting (when necessary) until only one question remains: Who's behind Ed's mission? Discover the enormous talent that is Marcus Zusak in this extraordinary collection that showcases the intensity and heart inherent in his storytelling. DON'T MISS BRIDGE OF CLAY, MARKUS ZUSAK’S FIRST NOVEL SINCE THE BOOK THIEF.

Daedalus: What are a person's limitations?

**A Mystery of Heroism** McGill-Queen's Press - MQUP

Cohen critiques Timothy Findley's broad anti-censorship position; he traces Margaret Atwood's evolution from implicit support for the censorship of pornography in Bodily Harm to the rejection of censorship in The Handmaid's Tale; and he provides the first detailed study of the draft of Margaret

Laurence's unfinished novel, showing the degree to which her final silence was a result of her censorship ordeal. Finally, an analysis of the writing of Beatrice Culleton and Marlene Nourbese Philip shows how different kinds of socio-cultural censorship - from gate-keepers to self-censorship - silence Native and black Canadian voices. Cohen's re-definition of censorship as essentially a practice of judgment takes us beyond the traditional Enlightenment delineation of censorship as an oppressive government practice and the consequent neutralist liberal condemnation of censorship on principle. Since judgment is enmeshed in the fabric of human endeavour, censorship is inevitable; since censorship is inevitable, Cohen concludes, debate over whether censorship itself is desirable should give way to a search for censorship practices that are more just. Censorship in Canadian Literature is an essential text for scholars of Canadian literature as well as for anyone concerned with contemporary debates about censorship and civil rights.

**An Illustrated ... Magazine Devoted to the Biography, Genealogy, History and Antiquities of Essex County, Massachusetts** Hachette UK In this first book of Robert Stanek's multilayered epic fantasy, three heroes set out on an epic journey of discovery only to find that at the end of their journey nothing is what they thought it was and that their world is undergoing a transformation that will change everything. Survival in a changing world depends on their ability to adapt and if they fail, their world and everything they believe in will perish.

**Waltz Into Darkness** Simon and Schuster

This encyclopedic work comprehensively covers the performers and programming on American radio from its inception to its golden age. Extensively researched over the course of more than twenty years, this new work is the definitive source for scholars of communication, social and cultural history and the popular arts, as well as devoted fans of radio history. The encyclopedia includes entries for programs, announcers, orchestras, musicians, vocalists, comedians, vocal groups, readers, whistlers, musical saw soloists, ministers, sports commentators, reviewers (of books, plays and movies), celebrities, and other personnel broadcasting over American radio from the 1920s to the 1960s. Additional entries cover commercial radio, educational broadcasting, firsts in radio history, opera on radio, religious broadcasting, sports broadcasting, women in radio, border radio, children's programs, comedy on radio, crime shows and mysteries, daytime dramatic serials, and disk jockeys, among other topics.

**H.G. Wells, Modernity and the Movies** Workman Publishing

A Graphic Adaptation An HBO Original Movie starring Michael B. Jordan (Black Panther), Sofia Boutella (Star Trek: Beyond), and Michael Shannon (The Shape of Water). An Eisner Award Nominee "Monday burn Millay, Wednesday Whitman, Friday Faulkner, burn 'em to ashes, then burn the ashes." For Guy Montag, a career fireman for whom kerosene is perfume, this is not just an official slogan. It is a mantra, a duty, a way of life in a tightly monitored world where thinking is dangerous and books are forbidden. In 1953, Ray Bradbury envisioned one of the world's most unforgettable dystopian futures, and in Ray Bradbury's Fahrenheit 451, the artist Tim Hamilton translates this frightening modern masterpiece into a gorgeously imagined graphic novel. As could only occur with Bradbury's full cooperation in this authorized adaptation, Hamilton has created a striking work of art that uniquely captures Montag's awakening to the evil of government-controlled thought and the inestimable value of philosophy, theology, and literature. Including an original foreword by Ray Bradbury and fully depicting the brilliance and force of his canonic and beloved masterwork, Ray Bradbury's Fahrenheit 451 is an exceptional, haunting work of graphic literature.

**To the Chicago Abyss** Palala Press

NEW YORK TIMES BESTSELLER \* The inside story of Donald Trump's first two years in Washington as viewed from Capitol Hill, a startling account that turns "Congress into a Game of Thrones book" (Trevor Noah, The Daily Show). Taking readers into secret strategy calls and closed-door meetings from the House to the White House, Politico Playbook writers Jake Sherman and Anna Palmer trace the gamesmanship and the impulsiveness, the dealmaking and the backstabbing, in a blow-by-blow account of the power struggle that roiled Congress. Moving from the fights for advantage between Donald Trump, Nancy Pelosi, and Chuck Schumer; to Mitch McConnell's merciless, Machiavellian handling of the sexual assault accusations against Supreme Court nominee Brett Kavanaugh; to Paul Ryan's desperate, failed attempts to keep Mark Meadows from pushing Trump into a government shutdown over immigration, The Hill to Die On bristles with fresh news and tells the story of what really happened in some of the most defining moments our era. Like The West Wing for Congress, or Shattered meets This Town, The Hill to Die On tells an unforgettable story of politics and power, where the stakes going forward are nothing less than the future of America and the lives of millions of ordinary Americans. Praise for The Hill to Die On "[Sherman and Palmer] go deep inside the halls of Congress to document the deal making, backstabbing, power struggles and political knife fights that have roiled the nation's capital during President Donald Trump's first two years in office. . . . Anything but boring."--USA Today, "5 Books Not to Miss" "[The Hill to Die On] painstakingly chronicles the return to divided government and the restoration of an institutional check on a mercurial chief executive. . . . The book depicts a foul-mouthed president in love with his own reflection, a House GOP encased in the amber of self-delusion, and Nancy Pelosi's unblinking focus on twin prizes: recapturing the House and returning to the speaker's chair."--The Guardian "If you are one of the many Americans who hates Congress, this book is for you. In the Washington depicted in Jake Sherman and Anna Palmer's new book, there are no heroes--only winners and losers. . . . With these lawmakers, Sherman and Palmer get inside their heads and capture what they're thinking in real time."--The Washington Post

**On the House** RP Books & Audio

Four complete novels. Over 1,000 pages in print. In the Service of Dragons is the continuation of Robert Stanek's multilayered epic fantasy adventure for young adults that began with The Kingdoms and the Elves of the Reaches. In his acclaimed The Kingdoms and the Elves of the Reaches books, he introduced us to the story of Ruin Mist, an extraordinary world of magic, adventure, and intrigue. Now in the eagerly awaited follow-up, he once again proves himself a wonderful storyteller with a gift for fast pacing and believable storylines. Already hailed as a classic, Robert Stanek's powerful epic fantasy series has been enjoyed by readers all over the world. The Elves of the Reaches returned from exile, bringing grave news. War came to the Kingdoms, and many perished in the turmoil and unrest. An attempt was made to kidnap a princess and assassinate a king. Now, from the ancient past a dark power returns. "The Fourth Wind blows across the mountain tops," they say. And the Twelve Clans emerge from myth and memory. As prophecy becomes reality, the factions struggle for control only to further divide the lands. Some would say that it was foolish for King Andrew Alder to support the Elves of the Reaches and send men to aid their cause when Men in all lands were being put to the test of steel. And in the North, men back their words with action. Against a backdrop of treachery and intrigue, murder and mayhem, the price of freedom is high. Many will pay with their lives. Many will succumb to imprisonment and enslavement; for when alliances shatter, old hatreds rise anew and the plotting and scheming begin. Bold, inventive, brilliantly imagined, In the Service of Dragons is a novel of magic and wonder—a tale of pure excitement you will not soon forget. \*\*\* Links to individual books are included. Extras: Lost chapters and scenes restored; the meeting of Xith and Vilmos as originally written; the story of Ruin Mist completely unaltered to hint at the story's origins in ancient myth and legend. Premium full-color artwork will display as high-quality b+w on standard e-ink readers. "Robert Stanek is one of our most featured and respected Kids & Young Adults authors." -- The Audio Book Store "Word of mouth turned it into a bestseller. Very satisfying." -- The Fantasy Guide "A breathtaking world and an excellent epic fantasy series! This wonderful adventure reminds me of a cross between J.R.R. Tolkien, J.K. Rowling, Tad Williams, and C. S. Lewis." "Stanek [has] a penchant for clear and simple prose. He also prefers swift, action-oriented scenes. Solidly built. Stanek moves among his main characters with ease, always switching at a climactic moment to maintain suspense. The accessible, brisk language keeps things moving." --Foreword Magazine "Sure to attract fans of graphic novels and classic Tolkien alike. Stanek will likely draw a cult following. This guarantees fans, and those fans will be ready to wield their swords against the Dark Lord in Stanek's next installment." -- VOYA, the leading magazine for Young Adult librarians.

**Ray Bradbury's Fahrenheit 451** National Education Assn

Focuses on modern society's techno-war against indigenous peoples, arguing that such peoples' philosophy of the sacredness of the natural world offers a way to recover

In the Service of Dragons (The Complete Tetralogy) Random House (NY)

A teen boy confronts the complications of love in this relatable free verse novel featuring a new cover and larger trim size. Don't get me wrong—my girlfriend's amazing. But the way things have been going lately, I'm starting to believe that the only thing worse than not getting what you want, is getting it. Picking up where What My Mother Doesn't Know leaves off, this is the story of what happens next—told from the perspective of Murphy, Sophie's new boyfriend. And even though Murphy's thrilled to be with Sophie, the consequences of their relationship—and the temptations outside of

it—force him to consider everything he knows about love. Told in free verse and brimming with authenticity, this novel provides unique insight into the mind of a young man.

**The Battle for Congress and the Future of Trump's America** HarperCollins UK

A classic collection of Ray Bradbury's short fiction, available in ebook for the first time.

The Hill to Die on Macmillan

Though best known for The Red Badge of Courage, his classic novel of men at war, in his tragically brief life and career Stephen Crane produced a wealth of stories—among them "The Monster," "The Upturned Face," "The Open Boat," and the title story—that stand among the most acclaimed and enduring in the history of American fiction. This superb volume collects stories of unique power and variety in which impressionistic, hallucinatory, and realistic situations alike are brilliantly conveyed through the cold, sometimes brutal irony of Crane's narrative voice.

Keeper Martin's Tale Dramatic Publishing

"This sobering description of many computer-related failures throughout our world deflates the hype and hubris of the industry. Peter Neumann analyzes the failure modes, recommends sequences for prevention and ends his unique book with some broadening reflections on the future."

—Ralph Nader, Consumer Advocate This book is much more than a collection of computer mishaps; it is a serious, technically oriented book written by one of the world's leading experts on computer risks. The book summarizes many real events involving computer technologies and the people who depend on those technologies, with widely ranging causes and effects. It considers problems attributable to hardware, software, people, and natural causes. Examples include disasters (such as the Black Hawk helicopter and Iranian Airbus shootdowns, the Exxon Valdez, and various transportation accidents); malicious hacker attacks; outages of telephone systems and computer networks; financial losses; and many other strange happenstances (squirrels downing power grids, and April Fool's Day pranks). Computer-Related Risks addresses problems involving reliability, safety, security, privacy, and human well-being. It includes analyses of why these cases happened and discussions of what might be done to avoid recurrences of similar events. It is readable by technologists as well as by people merely interested in the uses and limits of technology. It is must reading for anyone with even a remote involvement with computers and communications—which today means almost everyone. Computer-Related Risks: Presents comprehensive coverage of many different types of risks Provides an essential system-oriented perspective Shows how technology can affect your life—whether you like it or not!
