“Alternatingly heart-pounding and heartbreaking. This collaboration between two best-selling authors seamlessly weaves together Olivia and Lily’s journeys, creating a provocative exploration of the strength that love and acceptance require.”—The Washington Post GOOD MORNING AMERICA BOOK CLUB PICK • PEOPLE’S BOOK OF THE WEEK ONE OF THE BEST BOOKS OF THE YEAR: PopSugar Olivia McAfee knows what it feels like to start over. Her picture-perfect life—living in Boston, married to a brilliant cardiothoracic surgeon, raising their beautiful son,

Asher—was upended when her husband revealed a darker side. She never imagined that she would end up back in her sleepy New Hampshire hometown, living in the house she grew up in and taking over her father’s beekeeping business. Lily Campanello is familiar with do-overs, too. When she and her mom relocate to Adams, New Hampshire, for her final year of high school, they both hope it will be a fresh start. And for just a short while, these new beginnings are exactly what Olivia and Lily need. Their paths cross when Asher falls for the new girl in school, and Lily can’t help but fall for him, too. With Ash, she feels happy for the first time. Yet at times, she wonders if she can trust him completely. . . . Then one day, Olivia receives a phone call: Lily is dead, and Asher is

being questioned by the police. Olivia is adamant that her son is innocent. But she would be lying if she didn't acknowledge the flashes of his father's temper in Ash, and as the case against him unfolds, she realizes he's hidden more than he's shared with her. Mad Honey is a riveting novel of suspense, an unforgettable love story, and a moving and powerful exploration of the secrets we keep and the risks we take in order to become ourselves.

♥♥The Mysterious Affair at Styles by Agatha Christie♥♥ Agatha Christie's first novel, *The Mysterious Affair at Styles*, was the result of a dare from her sister Madge who challenged her to write a story. The story begins when Hastings is sent back to England from the First World War due to injury and is invited to

spend his sick leave at the beautiful Styles Court by his old friend John Cavendish. Here, Hastings meets John's stepmother, Mrs. Inglethorp, and her new husband, Alfred. Despite the tranquil surroundings Hastings begins to realize that all is not right. When Mrs. Inglethorp is found poisoned, suspicion falls on the family, and another old friend, Hercule Poirot, is invited to investigate. ♥♥The Mysterious Affair at Styles by Agatha Christie♥♥ Agatha Christie's first-ever murder mystery. With impeccable timing, Hercule Poirot, the renowned Belgian detective, makes his dramatic entrance onto the English crime stage. ♥♥The Mysterious Affair at Styles by Agatha Christie♥♥ Recently, there had been some strange goings-on at Styles St Mary. Evelyn, the constant

companion to old Mrs. Inglethorp, had stormed out of the house muttering something about 'a lot of sharks'. And with her, something indefinable had gone from the atmosphere. Her presence had spelt security; now the air seemed rife with suspicion and impending evil. ♥♥The Mysterious Affair at Styles by Agatha Christie♥♥ A shattered coffee cup, a splash of candle grease, a bed of begonias... all Poirot required to display his now legendary powers of detection. ♥♥The Mysterious Affair at Styles by Agatha Christie♥♥ *The Mysterious Affair at Styles by Agatha Christie* HarperCollins After receiving a letter from beyond the grave, Carla Crale believes her mother, who died in prison, was wrongly convicted of her father's murder. In a

passionate attempt to clear her name, she persuades those present on the day of her father's death to return to the scene of the crime and "go back" 16 years to recount their version of events. An unusual take on the traditional murder mystery, the action of the play slips seamlessly from past to present, examining the danger of relying on personal testimony warped by time, prejudice and perception. By studying each suspect's testimony, and the various inconsistencies between them, the drama arrives at a disturbing and terrible truth. "Demonstrates the author's uncanny skill. The answer to the riddle is brilliant." THE TIMES

In the tradition of *Long Bright River* and *The Mars Room*, a gripping and atmospheric work of literary suspense that deconstructs the story of a serial killer on death row, told primarily through the eyes of the women in his life—from the bestselling author of *Girl in Snow*. Ansel

Packer is scheduled to die in twelve hours. He knows what he's done, and now awaits execution, the same chilling fate he forced on those girls, years ago. But Ansel doesn't want to die; he wants to be celebrated, understood. Through a kaleidoscope of women—a mother, a sister, a homicide detective—we learn the story of Ansel's life. We meet his mother, Lavender, a seventeen-year-old girl pushed to desperation; Hazel, twin sister to Ansel's wife, inseparable since birth, forced to watch helplessly as her sister's relationship threatens to devour them all; and finally, Saffy, the detective hot on his trail, who has devoted herself to bringing bad men to justice but struggles to see her own life clearly. As the clock ticks down, these three women sift through the choices that culminate in

tragedy, exploring the rippling fissures that such destruction inevitably leaves in its wake. Blending breathtaking suspense with astonishing empathy, *Notes on an Execution* presents a chilling portrait of womanhood as it simultaneously unravels the familiar narrative of the American serial killer, interrogating our system of justice and our cultural obsession with crime stories, asking readers to consider the false promise of looking for meaning in the psyches of violent men.
