It unfolds life-impacting, biblical truths and has been called a "soul-stirring celebration of the pleasures of knowing God." <i>The Logic of God</i> The Good Book Company Many people think science is antagonistic to Christian belief. Science, it is said, shows that the universe is billions of years old, while the Bible says it is only thousands of years old. And some claim that science shows supernatural miracles are impossible. These and other points of contention cause some Christians to view science as a threat to their beliefs. Redeeming Science attempts to kindle our appreciation for science as it ought to be—science that could serve as a path for praising God and serving fellow human beings. Through examining the wonderfully complex and immutable laws of nature, author Vern Poythress explains, we ought to recognize the wisdom, care, and beauty of God. A Christian worldview restores a true response to science, where we praise the God who created nature and cares for it. <a href="#">A Biographical and Methodological Introduction</a> Bloomsbury Publishing Break free from the weariness and cynicism of life to enjoy God's amazing promise of childlike joy! It's time to reclaim that awesome sense of wonder—to experience God's amazing promise of childlike joy. <b>52 Christian Essentials for the Heart and Mind</b> FaithWords One of the greatest defenders of faith answers penetrating questions about the meaning of life and the existence of a God who is there for his children, inviting readers on a journey through his life—from East to West and then back again. 85,000 first printing. \$40,000 ad/promo. <i>Redeeming Science</i> Routledge In Seeking Allah, Finding Jesus, now expanded with bonus content, Nabeel Qureshi describes his dramatic journey from Islam to Christianity, complete with friendships, investigations, and supernatural dreams along the way. Providing an intimate window into a loving Muslim home, Qureshi shares how he developed a passion for Islam before discovering, almost against his will, evidence that Jesus rose from the dead and claimed to be God. Unable to deny the arguments but not wanting to deny his family, Qureshi struggled with an inner turmoil that will challenge Christians, Muslims, and all those who are interested in the world's greatest religions. Engaging and thought-provoking, Seeking Allah, Finding Jesus tells a powerful story of the clash between Islam and Christianity in one man's heart—and of the peace he eventually found in Jesus. "I have seldom seen such genuine intellect combined with passion to match ... truly a 'must-read' book."—Ravi Zacharias <b>Cold-Case Christianity</b> Multnomah In this brilliant and compelling defense of the Christian faith, Ravi Zacharias shows how affirming the reality of God's existence matters urgently in our everyday lives. According to Zacharias, how you answer the questions of God's existence will impact your relationship with others, your commitment to integrity, your attitude toward morality, and your perception of truth. <a href="#">Save Me a Seat</a> Thomas Nelson In a world with so many religions, why Jesus? We are living in a time when you can believe anything, as long as you do not claim it to be true. In the name of “tolerance,” our postmodern culture embraces everything from Eastern mysticism to New Age spirituality. But as Ravi Zacharias points out, such unquestioning acceptance of all things spiritual is absurd. All religions, plainly and simply, cannot be true. Jesus Among Other Gods provides the answers to the most fundamental claims about Christianity, such as: Aren't all religions fundamentally the same? Was Jesus who He claimed to be? Can one study the life of Christ and demonstrate conclusively that He was and is the way, the truth, and the life? In each chapter, Zacharias considers a unique claim that Jesus made and then contrasts the truth of Jesus with the founders of Islam, Hinduism, and Buddhism with compelling insight and passionate conviction. In addition to an impressive breadth of reading and study, he shares his personal journey from despair and meaninglessness to his discovery that Jesus is who He said He is. “In Jesus Among Other Gods, Ravi Zacharias demonstrates that he is one of the most intellectually gifted as well as spiritually sensitive writers of today's leading apologists for the Christian faith. Zacharias brings alive the unique power of the claims of Jesus about himself and the utter relevance of his message today for the human condition.” — David Aikman, author of Great Souls <b>Why Suffering?</b> Zondervan In the quest for the truth, you need to know what you believe and why you believe it. Who Made God? offers accessible answers to over 100 commonly asked apologetic questions. Bringing together the best in evangelical apologists, this guide is standard equipment for Christians who want to understand and talk about their faith intelligently. Part one answers tough questions about the Christian faith such as: • Who made God? • How can there be three persons in one God? • What is God's ultimate purpose in allowing evil? • Where did the universe come from? • How long are the days of creation in Genesis? • Did Jesus rise from the dead? • Are the records of Jesus' life reliable? • Does the Bible have errors in it?Part two answers tough questions about other faiths, including Islam, Mormonism, Hinduism, Transcendental Meditation, Yoga, Reincarnation, Buddhism, and Black Islam. Relevant stories, questions for reflection and discussion, and a comprehensive list of suggested resources help you dig deeper so you can be prepared to give careful answers that explain the reasons for your faith. <i>Motivating Leaders to Live an Apologetic Life</i> Vida Pub The author believes that over the past forty years movements like New Age spirituality and society's obsession with human potential have combined like a "perfect storm" to redefine for popular culture what has been for centuries the classic biblical definition of the person, work, and teaching of Jesus Christ. In Why Jesus?, Ravi Zacharias looks at the impact of this "storm" by discussing the 60s-70s "Age of Aquarius," actor Shirley MacLaine's book and TV series Out On a Limb, author James Redfield (The Celestine Prophecy), Rhonda Byrne (The Secret), Dan Brown (The Da Vinci Code), and other books by Eckart Tolle, Wayne Dyer, Deepak Chopra, the Dali Lama, and Marianne Williamson. Special attention will be given to the influence of Oprah Winfrey's media platform in reshaping society by introducing and promoting certain books and authors. Major new age and human potential tenets will be discussed like: the belief that we are all gods and have to discover our divinity; Jesus was only a good teacher; Christianity is but one among many ways to eternal life; reincarnation is real; Jesus was married; truth is relative; there is no sin; and perfection is possible. The truth of and the arguments for the bodily resurrection of Jesus will be presented as the most important argument for the exclusive claims about Jesus and Christianity. <b>A Devout Muslim Encounters Christianity</b> Zondervan Jesus Christ alone answers our deepest questions. We all have doubts that challenge our faith. We wonder whether the Bible still matters, or whether God is truly as loving and personal as we hope. In his first ever devotional, The Logic of God, apologist Ravi Zacharias offers 52 readings that explain how and why Christianity, the Bible, and God are still relevant, vital, and life-changing for us today. To all our dilemmas Ravi says, "I am convinced that Jesus Christ alone uniquely answers the deepest questions of our hearts and minds." With a remarkable grasp of biblical facts and a deep understanding of the questions that trouble our hearts, Ravi tackles the most difficult topics with ease and understanding. But The Logic of God is more than intellectual; it is also personal, offering thoughtful wisdom on: when Jesus draws especially near you. the deep ray of hope found

Respected apologist Ravi Zacharias was once sharing his faith with a Hindu when the man asked: "If the Christian faith is truly supernatural, why is it not more evident in the lives of so many Christians I know?" The question hit hard, and this book is an answer. Its purpose is to equip Christians everywhere to simultaneously defend the faith and be transformed by it into people of compassion. In addition to writing several chapters himself, Ravi Zacharias brings together many of today's leading apologists and Christian teachers, including Alister McGrath and John Lennox, to address topics present in the very future of worldwide Christianity—from the process of spiritual transformation to the challenges posed by militant atheism and a resurgent Islam. Destined to become a classic, Beyond Opinion is a touchstone that will affect Christians around the world. <i>The Players in My Life</i> Zondervan Academic SPANISH EDITION. When Sam Harris wrote his book Letter to a Christian Nation, stating that Christians display 'murderous intolerance,' Dr. Ravi Zacharias felt called to answer. The End of Reason is a clear and powerful response to the 'utter bankruptcy' of Harris's New Atheism as it explains the true nature of God, the foundation for evil in the world, and the basis of true morality <b>Jesus Among Secular Gods</b> Zondervan A ministry resource for motivating all Christians to become thoughtful apologists of their faith Although apologetics is as crucial today as it has ever been, the classical model for defending the faith often seems irrelevant to the 21st century where people listen with their eyes and think with their emotions. Is Your Church Ready? Presents a team of highly qualified Christian thinkers—including Ravi Zacharias, John Guest, Jay Budziszewski, Judy Salisbury, Dean Halverson, and Peter Grant—who build a case for the place of apologetics in the local church, home, and school. Using personal examples and illustrations they address: • How to answer objections to Christianity • How to equip children in the home and prepare youth to remain committed to Christ after they leave for college • How to reach international students and the foreign-born Included are discussion questions and a “Church Leaders Resource Guide” to the best books, articles, organizations, and websites on the subject. <a href="#">A Fresh Look at History's Most Influential Figure</a> Thomas Nelson ECPA Christian Book Award 2021 Finalist: Biography & Memoir Explore Apologetics through the Lives of History's Great Apologists The History of Apologetics follows the great apologists in the history of the church to understand how they approached the task of apologetics in their own cultural and theological context. Of the most common approaches to apologetics, which is most effective? The goal of apologetics is to persuasively defend Christianity against charges of falsehood, inconsistency, or credulity. It's an intellectual discipline that serves to bolster the faith of Christian believers and to aid the task of evangelism, but are some methods more effective than others? Five Views on Apologetics examines the "how-to" of apologetics, putting five prominent techniques under the microscope: Classical - represented by William Lane Craig Evidential - represented by Gary Habermas Cumulative Case - represented by Paul D. Feinberg Presuppositional - represented by John M. Frame Reformed Epistemology - represented by Kelly James Clark Offering a forum for presentation, critique, and defense, this book allows the contributors for the different viewpoints to respond to the others. Your own informed conclusions can then guide you as you meet the questions of a needy world with the claims of the gospel. The Counterpoints series presents a comparison and critique of scholarly views on topics important to Christians that are both fair-

-minded and respectful of the biblical text. Each volume is a one-stop reference that allows readers to evaluate the different positions on a specific issue and form their own, educated opinion.

Written by an L. A. County homicide detective and former atheist, Cold-Case Christianity examines the claims of the New Testament using the skills and strategies of a hard-to-convince criminal investigator. Christianity could be defined as a "cold case": it makes a claim about an event from the distant past for which there is little forensic evidence. In Cold-Case Christianity, J. Warner Wallace uses his nationally recognized skills as a homicide detective to look at the evidence and eyewitnesses behind Christian beliefs. Including gripping stories from his career and the visual techniques he developed in the courtroom, Wallace uses illustration to examine the powerful evidence that validates the claims of Christianity. A unique apologetic that speaks to readers' intense interest in detective stories, Cold-Case Christianity inspires readers to have confidence in Christ as it prepares them to articulate the case for Christianity.

How to talk about Jesus in a way that connects with modern culture. As followers of Jesus, we know that the good news is deeply attractive. But we often fear that to those on the outside, it comes across as irrelevant or even repellent. Sometimes the Christian worldview feels so out of step with everything else going on that we don't know how to share our faith. However, author Daniel Strange wants to show you that the connections are there—in fact, the longings that our culture cannot help but express are the very ones that Jesus fulfils. Building on the work of theologian J.H. Bavinck, Dan reveals five recurring themes that our culture can't stop talking about, or, as he puts it, the "five permanent 'itches' that in our work, rest, and play, we have to vigorously scratch." From TV to books to social media, these are the questions we can't stop asking and the tensions we can't stop wrestling with—and Jesus speaks powerfully into each one. This book will help you to spot these connections in our culture, excite you about how Jesus makes sense of humankind's deepest questions and longings, apply them to your own life first and then equip you to speak of him to others in a way that is truly magnetic. "Dan Strange has written another terrific, down-to-earth book to help believers engage in fruitful conversations with friends about faith." Dr. Timothy Keller, who has also written the foreword to this book.
