One of Summer's Most Anticipated Reads, according to Goodreads, SheReads, and Bookish "I think Beatriz Williams is writing the best historical fiction out there. It's lush with period detail but feels immediate."—Elin Hilderbrand The beloved author returns with a remarkable novel of both raw suspense and lyric beauty—the story of a lost pilot and a wartime photographer that will leave its mark on your soul. In 1947, photographer and war correspondent Janey Everett arrives at a remote surfing village on the Hawaiian island of Kauai to research a planned biography of forgotten aviation pioneer Sam Mallory, who joined the loyalist forces in the Spanish Civil War and never returned. Obsessed with Sam's fate, Janey has tracked down Irene Lindquist, the owner of a local island-hopping airline, whom she believes might actually be the legendary Irene Foster,

Mallory's onetime student and flying partner. Foster's disappearance during a round-the-world flight in 1937 remains one of the world's greatest unsolved mysteries. At first, the flinty Mrs. Lindquist denies any connection to Foster. But Janey informs her that the wreck of Sam Mallory's airplane has recently been discovered in a Spanish desert, and piece by piece, the details of Foster's extraordinary life emerge: from the beginnings of her flying career in Southern California, to her complicated, passionate relationship with Mallory, to the collapse of her marriage to her aggressive career manager, the publishing scion George Morrow. As Irene spins her tale to its searing conclusion, Janey's past gathers its own power. The duel between the two women takes a heartstopping turn. To whom does Mallory rightfully belong? Can we ever come to terms with the loss of those we love, and the lives we might have lived?

Harcourt Childrens Books

New York Times bestselling author Karen Hawkins crafts an unforgettable story

about a sleepy Southern town, two fiercely independent women, and a truly magical friendship. Sarah Dove is no ordinary bookworm. To her, books have always been more than just objects: they live, they breathe, and sometimes they even speak. When Sarah grows up to become the librarian in her quaint Southern town of Dove Pond, her gift helps place every book in the hands of the perfect reader. Recently, however, the books have been whispering about something out of the ordinary: the arrival of a displaced city girl named Grace Wheeler. If the books are right, Grace could be the savior that Dove Pond desperately needs. The problem is, Grace wants little to do with the town or its quirky residents—Sarah chief among them. It takes a bit of urging, and the help of an especially wise book, but Grace ultimately embraces the challenge to rescue her charmed new community. In her quest, she discovers the tantalizing promise of new love, the deep strength that comes from having a true friend, and the power of finding just the right book. “A mesmerizing fusion of the mystical and the everyday” (Susan Andersen, New York Times bestselling author), *The Book Charmer* is a heartwarming story about the magic of books that feels more than a little magical itself. Prepare to fall under its spell.

NEW YORK TIMES BESTSELLER • “A quite extraordinary novel. Colum McCann has found the form and voice to tell the most complex of stories, with an unexpected friendship between two men at its powerfully beating heart.”—Kamila Shamsie, author of *Home Fire* **FINALIST FOR THE DUBLIN LITERARY AWARD** • **LONGLISTED FOR THE BOOKER PRIZE** • **WINNER OF THE NATIONAL JEWISH BOOK**

AWARD • NAMED ONE OF THE BEST BOOKS OF THE YEAR BY The Independent • The New York Public Library • Library Journal From the National Book Award-winning and bestselling author of *Let the Great World Spin* comes an epic novel rooted in the unlikely real-life friendship between two fathers. Bassam Aramin is Palestinian. Rami Elhanan is Israeli. They inhabit a world of conflict that colors every aspect of their lives, from the roads they are allowed to drive on to the schools their children attend to the checkpoints, both physical and emotional, they must negotiate. But their lives, however circumscribed, are upended one after the other: first, Rami’s thirteen-year-old daughter, Smadar, becomes the victim of suicide bombers; a decade later, Bassam’s ten-year-old daughter, Abir, is killed by a rubber bullet. Rami and Bassam had been raised to hate one another. And yet, when they learn of each other’s stories, they recognize the loss that connects them. Together they attempt to use their grief as a weapon for peace—and with their one small act, start to permeate what has for generations seemed an impermeable conflict. This extraordinary novel is the fruit of a seed planted when the novelist Colum McCann met the real Bassam and Rami on a trip with the non-profit organization Narrative 4. McCann was moved by their willingness to share their stories with the world, by their hope that if they could see themselves in one another, perhaps others could too. With their blessing, and unprecedented access to their families, lives, and personal recollections, McCann began to craft *Apeirogon*, which uses their real-life stories to begin another—one that crosses centuries and continents, stitching together time, art, history,

nature, and politics in a tale both heartbreaking and hopeful. The result is an ambitious novel, crafted out of a universe of fictional and nonfictional material, with these fathers' moving story at its heart.

Lefty Carmichael Has a Fit Andrews McMeel Publishing

From the acclaimed author of *The Marrow Thieves* comes a thrilling new story about hope and survival that New York Times bestselling author Angeline Boulley called "a revelatory must-read" A 2022 American Indian Library Association Youth Literature Young Adult Honor Book Years ago, when plagues and natural disasters killed millions of people, much of the world stopped dreaming. Without dreams, people are haunted, sick, mad, unable to rebuild. The government soon finds that the Indigenous people of North America have retained their dreams, an ability rumored to be housed in the very

marrow of their bones. Soon, residential schools pop up—or are re-opened—across the land to bring in the dreamers and harvest their dreams. Seventeen-year-old French lost his family to these schools and has spent the years since heading north with his new found family: a group of other dreamers, who, like him, are trying to build and thrive as a community. But then French wakes up in a pitch-black room, locked in and alone for the first time in years, and he knows immediately where he is—and what it will take to escape. Meanwhile, out in the world, his found family searches for him and dodges new dangers—school Recruiters, a blood cult, even the land itself. When their paths finally collide, French must decide how far he is willing to go—and how many loved ones is he willing to betray—in order to survive. This engrossing, action-packed, deftly-drawn novel expands on the world of Cherie Dimaline's award-winning *The Marrow Thieves*, and it will haunt readers long after they've turned the final page.

Apeirogon: A Novel HarperCollins

In this “riveting, atmospheric thriller that messes with your mind in the best way” (Laini Taylor, New York Times bestselling author), three residents of a secluded, seemingly peaceful commune investigate the disappearances of two outsiders. Travis Wren has an unusual talent for locating missing people. Often hired by families as a last resort, he takes on the case of Maggie St. James—a well-known author of dark, macabre children’s books—and is soon led to a place many believed to be only a legend. Called Pastoral, this reclusive community was founded in the 1970s by like-minded people searching for a simpler way of life. By all accounts, the commune shouldn’t exist anymore and soon after Travis stumbles upon it...he disappears. Just like Maggie St. James. Years later, Theo, a lifelong member of Pastoral, discovers Travis’s abandoned truck beyond the border of the community. No one is allowed in or out, not when there’s a risk of bringing a disease—rot—into Pastoral. Unraveling

the mystery of what happened reveals secrets that Theo, his wife, Calla, and her sister, Bee, keep from one another. Secrets that prove their perfect, isolated world isn’t as safe as they believed—and that darkness takes many forms. “As spine-chilling as it is beautifully crafted” (Ruth Emmie Lang, author of *Beasts of Extraordinary Circumstance*), *A History of Wild Places* is a story about fairy tales, our fear of the dark, and losing yourself within the wilderness of your mind.
