Malibu, California--home to rock-and-roll gods and movie stars, the beautiful, the rich . . . and vampires. Powerful and charismatic, Raphael is a Vampire Lord, one of the few who hold the power of life and death over every vampire in existence. Thousands call him Master and have pledged absolute loyalty on their very lives. But when, in a brazen and deadly daylight attack, a gang of human killers kidnaps the one female vampire he'd give his life for, Raphael turns to a human investigator to find his enemies before it's too late. Cynthia Leighton is smart, tough, and sexy--a private investigator and

former cop who's tired of spying on cheating spouses and digging out old bank accounts. When Raphael asks for her help in tracking down the kidnappers, Cyn's happy to accept. But she soon realizes her greatest danger comes not from the humans, but from Raphael himself. Battling Russian mobsters and treacherous vampires and betrayed by those they trusted, Cyn and Raphael find themselves fighting for their lives while caught up in a passion of blood and violence that is destined to destroy them both.

That hot guy tied to Lissianna Argeneau's bed? He's not dessert—he's the main course! Lissianna has been spending her centuries pining for Mr. Right, not just a quick

snack, and this sexy guy she finds in her bed looks like he might be a candidate. But there's another, more pressing issue: her tendency to faint at the sight of blood...an especially annoying quirk for a vampire. Of course it doesn't hurt that this man has a delicious-looking neck. What kind of cold-blooded vampire woman could resist a bite of that? Dr. Gregory Hewitt recovers from the shock of waking up in a stranger's bedroom pretty quickly—once he sees a gorgeous woman about to treat him to a wild night of passion. But is it possible for the good doctor to find true love with a vampire vixen, or will he be just a good meal? That's a question Dr. Greg might be willing to sink his teeth into...if he can just get Lissianna

to bite.

Schwab's New York Times bestselling Shades of Magic series. Kell is one of the last Antari—magicians with a rare, coveted ability to travel between parallel Londons; Red, Grey, White, and, once upon a time, Black. After an exchange goes awry, Kell escapes to Grey London and runs into Delilah Bard, a cut-purse with lofty aspirations. Now perilous magic is afoot, and treachery lurks at every turn. To save all of

the worlds, they'll first need to stay alive. A Darker Shade of Magic — Kell was raised in Arnes—Red London—and officially serves the Maresh Empire as an ambassador, traveling between the frequent bloody regime changes in White London and the court of George III in the dullest of Londons. Unofficially, Kell is a smuggler, servicing people willing to pay for even the smallest glimpses of a world they'll never see. It's a defiant hobby with dangerous consequences, which Kell is now seeing firsthand. A Gathering of Shadows — Restless, and having given up smuggling, Kell is visited by dreams of ominous magical events, waking only to think of Lila, who disappeared from the docks like she always meant to do. And while Red London is caught up in the pageantry and thrills of the Element Games, another London is coming back to life, and those who were thought to be forever gone have returned. A Conjuring of Light — As darkness sweeps the Maresh Empire, the once precarious balance of power among the four Londons has reached its

breaking point. In the wake of tragedy, Kell—once assumed to be the last surviving Antari—begins to waver under the pressure of competing loyalties. Lila Bard has survived and flourished through a series of magical trials. But now she must learn to control the magic, before it bleeds her dry. Tor books by V. E.
